Subject: Protect the wetlands of Westernport from AGL's proposed gas terminal
Date: Sunday, 24 November 2019 7:33:34 PM

Dear Committee Members,

As a local to Westernport/ Cardinia Shire, I'm aware this environment cannot cope with the changed water temperature, the intrusion into farm lands, or the burning of coal to make hydrogen. The way our environment is now, we have to call time on mindless development. It's not worth it to make a few people richer. It's robbing from all of us.

I look forward to great outcomes for our wetlands as a result of this inquiry.

Kind regards

Yours sincerely,
Amanda Gray
