Dear Andrew,

I find it hard to believe in this day and age that something like duck shooting is still allowed to continue in a country like Australia. I always like to think of Australia as a forward thinking and educated country, This is such an old, hideous form of what some people call entertainment. Most of these people are hideous, cruel and brutish themselves. [REDACTED]

[REDACTED] To allow any creature to die a long and slow death, which probably happens in over 50% of cases beggars belief.

Not one member of my family, (and there are many of us) will ever vote for a political party which allows this to continue.

Come on Labour, IT'S TIME !!!!!

Thank you for the opportunity to share my thoughts.

Yours sincerely,
