Dear Committee Members,

The rapid decline of some seabird populations throws a spotlight on your responsibility to protect what habitat remains.

The case for an LNG import terminal in Victoria presumes ongoing indifference by electorate and govts to the unjust and frankly treasonous terms granted to LNG exporters in Qld.

Don't bet on the electorate or your children being so indifferent, on either let alone both fronts.

I look forward to great outcomes for our wetlands as a result of this inquiry.

Kind regards

Yours sincerely,  
Liam Cranley
