### YOUR SUBMISSION

#### Submission:

I am appealing to the Victorian Government to ban the dreadful and horrific practice of shooting ducks! Ducks are beautiful creatures and an essential part of our environment in Victoria. When there is what is called a duck shooting season in Victoria it is not only our beautiful ducks that get killed and maimed, it is other wildlife as well that get shot either by mistake or purposely by many persons who don't care, or maybe indulged in liquor.

Please, please, please ban this awful killing, our general wildlife is suffering already don't make it worse. Our wildlife depends on you our state government, please don't let them down.
