YOUR SUBMISSION

Submission:

As a concerned naturalist and lifelong (57 years) hater of duck shooting, I would like my the Victorian authorities to do everything possible to ensure they're used wisely and carefully. Using these wetlands for duck shooting is most certainly not a good thing. It's barbaric and cruel. The sound of gun shots waking me at dawn is firstly frightening, then it makes my blood crawl and then I literally cry for the lives of all the birds and other creatures being terrified and killed. I loathe this human behaviour. Please remove the use of our wetlands for that kind of purpose and keep it healthy, peaceful and always beautiful. Sincerely, Susan Williams of [REDACTED]
