DEDJTR PRIORITY ACTIONS 2015-16

1. Increase the value, speed and targeting of trade and investment for Melbourne and Victoria
2. Make it easier for businesses to operate in Victoria by improving services, regulation and access to markets
3. Build resilience and minimise transition impacts across our economy, workforce, sectors and regions with a focus on strategies for growth
4. Stimulate innovation by supporting the creation and application of new knowledge, technologies and practices
5. Ensure our transport, energy and other economic infrastructure and services remains a source of competitive advantage and delivers efficient, reliable and safe outcomes that are valued by consumers
6. Sustainably grow our natural resource economy
7. Establish Victoria's position as a premier creative and visitor economy, providing quality cultural, recreational and tourism experiences
8. Minimise the impact of emergencies through effective preparation, coordination and response
9. Engage constructively with the community, business, the workforce, and other government entities
10. Improve our strategic planning and implementation of policies, programs and investment, and use of outcome goals, evaluations and forecasting
