QUESTIONS ON NOTICE

*Answers to the following questions on notice were circulated on the date shown.
Questions have been incorporated from the notice paper of the Legislative Assembly.
Answers have been incorporated in the form supplied by the departments on behalf of the appropriate ministers.
The portfolio of the minister answering the question on notice starts each heading.*

Tuesday, 23 June 2015

Roads and road safety

190. Mr SMITH (Warrandyte) to ask the Minister for Roads and Road Safety — In both raw numbers and percentages:

- (1) How many trucks and cars per day travelling east across the West Gate Bridge:
 - (a) Turn off onto the Bolte Bridge;
 - (b) Continue on the West Gate Freeway beyond the Bolte Bridge turnoff.
- (2) How many trucks and cars per day travelling west on the West Gate Freeway after the Montague St entrance, heading towards the West Gate Bridge:
 - (a) Turn off onto the Bolte Bridge prior to reaching the West Gate Bridge;
 - (b) Continue on to the West Gate Bridge beyond the Bolte Bridge turnoff.

ANSWER:

I am informed that, as at the date the question was raised:

VicRoads does not record the origin and destination of vehicles using the West Gate Freeway and the Bolte Bridge. However, VicRoads does record traffic volumes at a number of locations on the West Gate Freeway.

I can also advise:

- The total volume of traffic on the West Gate Bridge is approximately 203 000 vehicles per day including 30 000 (15 per cent) heavy vehicles.
- The total volume of traffic on the Bolte Bridge in 2014 is approximately 106 000 vehicles per day. Truck volumes at this location are not available.
- The total volume of traffic on the West Gate Freeway at Ingles Street is approximately 235 000 vehicles per day using the main carriageways and all entrance and exit ramps. Truck volumes at this location are not available.

Energy and resources

202. Mr CRISP to ask the Minister for Energy and Resources— With reference to the augmentation of Mildura’s gas supply, when will the Berri compressor come on line.

ANSWER:

The Project to increase gas capacity at Mildura includes the installation of a new compressor at Angaston, the installation of a new water bath heater at Berri and associated electrical, mechanical and civil works at both Angaston and Berri. Australian Gas Networks is well advanced in delivering this Project and expects to commission the Project by 31 July 2015.

Energy and resources

203. Mr CRISP to ask the Minister for Energy and Resources— What arrangements have been made for retailing the additional gas supply to Mildura that will result from the installation and operation of a gas compressor at Berri.

ANSWER:

As a result of the Mildura Capacity Expansion Project, which includes the installation of a new compressor at Angaston, there will be no change to the current retailing arrangements; however, there will be greater capacity to connect more customers.

Environment, Climate Change and Water

204. Mr CRISP to ask the Minister for Environment, Climate Change and Water— When will the infestation of wheel cactus at Bull Swamp, off Kinnabulla Road near Birchip, be eradicated.

ANSWER:

I am informed that:

Bulls Swamp Wildlife Reserve is a Parks Victoria managed reserve for the preservation of wildlife habitat. In relation to the eradication of Wheel Cactus, Parks Victoria staff have treated Wheel Cactus at Bulls Swamp Wildlife Reserve for the last 10 years, however this has been reduced over the last 12 months as the infestations have reduced.

The Birchip Landcare Group received funding earlier this year and have undertaken a program using contractors within the area. In liaising with Parks Victoria staff the Secretary of the Birchip Landcare Group was advised that Parks Victoria had previously undertaken work on the reserve as recently as February 2015. Parks Victoria will continue to treat Wheel Cactus at Bulls Swamp Wildlife Reserve.

Parks Victoria's priority is on species declared 'regionally prohibited' under the Catchment and Land Protection Act 1994. Wheel Cactus is categorised as a 'regionally controlled' weed in the Mallee Catchment under the Catchment and Land Protection Act 1994.

Questions have been incorporated from the notice paper of the Legislative Assembly.
Answers have been incorporated in the form supplied by the departments on behalf of the appropriate ministers.
The portfolio of the minister answering the question on notice starts each heading.*

Wednesday, 24 June 2015**Education**

245. **Mr WAKELING** to ask the Minister for Education — With reference to the \$32 million allocated to jobs and skills centres as outlined in Budget Paper 1, page 7, can the Minister please advise:

- (1) Is the full amount of \$32 million allocated for use in 2015–16.
- (2) If the \$32 million is not allocated in 2015–16, when will it be allocated.
- (3) Which jobs and skills centres will receive funding out of the \$32 million.
- (4) How much funding will each jobs and skill centre receive out of the \$32 million.

ANSWER:

I am informed as follows:

\$32 million is allocated over four years at a rate of \$8 million per year as outlined in Table 1.8 on page 47 of Budget Paper No.3.

This funding is allocated for Local Learning and Employment Networks.

A formal consultation process will be undertaken with stakeholders to consider what operating system, approaches and accountability frameworks are needed to ensure that LLENs can build on the capability, knowledge and networks they have built up since 2001 to meet the pressing need to address youth unemployment and disengagement from education, training and employment. Funding allocation will be considered as part of this process.
