ANSWERS TO CONSTITUENCY QUESTIONS

Answers have been incorporated in the form supplied by the departments on behalf of the appropriate ministers and received by Hansard in the period shown.

9 February to 22 February 2018**Northern Metropolitan Region**

Question asked by: Mr Ondarchie
Directed to: Treasurer
Asked on: 2 November 2017

ANSWER:

Funding for the relocation of the Broadmeadows SES Unit and for construction of a new facility was provided in the 2017-18 Budget. VicSES is currently negotiating to secure its tenure arrangements over the proposed site, which will enable construction to commence.

Eastern Victoria Region

Question asked by: Mr O'Donohue
Directed to: Minister for Police
Asked on: 12 December 2017

ANSWER:

I can assure the member that growth corridors such as the City of Casey are a priority, with a total of 50 additional frontline officers allocated to the South Eastern suburbs, including the Casey and Dandenong Police Service Areas. These extra police will greatly strengthen local police responses.

This follows the Government's landmark commitment to fund an additional 3135 frontline police over the next five years, on top of attrition.

The Government has also invested an additional \$19.4 million over 2016-17 and 2017-18 in Community Crime Prevention Grants to help tackle the underlying causes of crime. Under this program, a total of \$1 191 151 has been provided to fund 13 grants for local crime prevention initiatives in the Casey LGA.

Analysis of the most recent crime statistics for the year ending 30 September 2017 shows that the rate of offences per 100 000 population has decreased by 5.1 per cent in the Local Government Area of Casey. The Crime Statistics Agency significance trend test also indicates that crime is stabilising in this area.

The operational need for new and upgraded police stations is appropriately a matter to be determined by the Chief Commissioner of Victoria Police.

Victoria Police continues to provide a 24-hour response to the Casey community through frontline police and specialist responses from divisional Highway patrol units, Crime Investigations Units and Sexual Offence and Child Abuse Investigation Teams.

I would like to reassure the residents of the City of Casey that the Government remains committed to ensuring that Victoria Police have adequate resources and the powers they need to keep the community safe.

South Eastern Metropolitan Region

Question asked by: Mrs Peulich
Directed to: Treasurer
Asked on: 13 December 2017

ANSWER:

I thank the Member for the South Eastern Metropolitan Region for the question.

I recognise the difficulties that many customers are facing when dealing with electricity distributors in regards to financing new infrastructure.

The Government is working to ensure that all energy businesses, including electricity distributors, provide the best possible outcomes for Victorians. The Red Tape Commissioner for Victoria is currently investigating the regulatory framework surrounding electricity distribution to determine which regulator is holding these companies to account for their performance.

Distribution businesses in Victoria are regulated by the Australian Energy Regulator. If Mr Johnson has exhausted all available options with United Energy in regards to resolving this issue, the Australian Energy Regulator recommends contacting Victoria's Energy and Water Ombudsman.

Southern Metropolitan Region

Question asked by: Mr Davis
Directed to: Minister for Public Transport
Asked on: 8 February 2018

ANSWER:

All taxi licence holders have received financial assistance as a result of the Government's reforms to the industry. As the holder of a single perpetual metropolitan taxi licence, Ms Diamantopoulos would have received \$100 000.

Due to reforms undertaken by the previous Liberal Government, the value of taxi licences were cut in half. Not a single cent of financial assistance was paid.

Now in opposition, the Liberal Party voted in support of legalising ridesharing and in support of removing taxi licences but they voted against providing financial assistance to the existing industry. If the Liberal Opposition's suggested amendments to the legislation had been successful, Ms Diamantopoulos would have received nothing.

While the Liberal Party have already made numerous promises in the lead up to this year's election they have refused to commit to providing any additional financial assistance to the taxi industry.

If Ms Diamantopoulos, or any other applicant to the Fairness Fund, wants further information in relation to their application they should contact the fund at fairnessfund@ecodev.vic.gov.au or on 1800 875 122.
