QUESTIONS ON NOTICE

Answers to the following questions on notice were circulated on the date shown.

Questions have been incorporated from the notice paper of the Legislative Council.

Answers have been incorporated in the form supplied by the departments on behalf of the appropriate ministers.

Headings reflect the portfolio of the minister answering the question.

Tuesday, 19 June 2018

Public transport

12 664. MS WOOLDRIDGE — To ask the Minister for Agriculture (for the Minister for Public Transport): Will there be any further weekend or night disruptions for travellers on the Hurstbridge rail line to finish the rail duplication or level crossing removal, and, if so, how often.

ANSWER:

I thank the Member for Eastern Metropolitan for her continued interest in the Andrews Labor Government's investments along the Hurstbridge line as we are building the infrastructure needed for long-term solutions for the northeast.

The Andrews Labor Government understands the importance of easing congestion, improving safety and reducing travel times for both passengers and motorists. As part of the Government's plan to provide more frequent and reliable services for the north east of Melbourne, the Hurstbridge rail line is being upgraded along with the removal of level crossings at Lower Plenty Road and Grange Road, and the opening of a new station at Rosanna.

Major infrastructure projects of this nature and scale present significant challenges during construction in terms of managing disruptions to the rail and road network, to enable works to be undertaken safely. During the recent major closure of the Hurstbridge line a significant program of works was undertaken, including excavation of a new rail trench and removal of the level crossing at Grange Road, a new elevated rail bridge and removal of the level crossing at Lower Plenty Road, construction of the new Rosanna station and duplication of the track from Heidelberg to Rosanna.

Further weekend rail closures will be required to complete the construction of four electrical substations and associated works on the Hurstbridge line, to provide the necessary power supply for more frequent and reliable services.

Locals will be notified well in advance regarding these necessary disruptions.

Public transport

12 690. MS WOOLDRIDGE — To ask the Minister for Agriculture (for the Minister for Public Transport): In relation to the media release 'More Trains, Less Level Crossings' of 29 April 2018, will the two extra services planned for the Hurstbridge rail line after the completion of the upgrade Stage 1 operate during peak hours.

ANSWER:

I thank the Member for Eastern Metropolitan for her continued interest in the Andrews Labor Government's investments along the Hurstbridge line as we are building the infrastructure needed for long-term solutions for the northeast.

The Andrews Labor Government understands the importance of easing congestion, improving safety and reducing travel times for both passengers and motorists. As part of the Government's plan to provide more frequent and reliable services for the north east of Melbourne, the Hurstbridge rail line is being upgraded along with the removal of level crossings at Lower Plenty Road and Grange Road, and the opening of a new station at Rosanna.

The completion of the Hurstbridge Line Upgrade Stage 1 and the removal of two level crossings will see the introduction of two extra services every weekday from August, on top of the four extra peak services introduced in 2017.

Details relating to how these extra services will be incorporated into the existing timetable are being finalised and will be available later this year.

Training and skills

12 685. MS WOOLDRIDGE — To ask the Minister for Training and Skills: In relation to the Premier's comments following his visit to Melbourne Polytechnic, Greensborough, that "enrolments are going through the roof", by what number have enrolments increased and in what subjects.

ANSWER:

I am informed as follows:

Four years after it closed because of funding cuts by the previous Liberal Government the Greensborough campus of Melbourne Polytechnic was successfully reopened, returning skills and training to the people of Greensborough and north-east Melbourne.

The Andrews Labor Government is proud of its \$10 million investment to reopen the Greensborough campus which is focusing on three main areas including health and community services, business and entrepreneurship and Science, Technology, Engineering and Mathematics (STEM).

Melbourne Polytechnic's Greensborough campus is becoming a vibrant, multi-purpose community and education precinct.

Labor is making sure that the people of Greensborough and surrounding suburbs get the skills they need for the jobs they want.

The co-location of partners on the site will create significant opportunities and benefits for the community and Melbourne Polytechnic, attracting potential students to the site and offering a variety of opportunities for cross-pollination and industry experience for students already enrolled at Greensborough.

TAFE Institutes are not required to report commercially sensitive training activity by campus.
