No. 4.

WEDNESDAY, 16TH SEPTEMBER, 1964.

### Questions.

- \*1. MR. TURNBULL: To ask the Honorable the Treasurer what amount of stamp duty was collected in respect of duty on marketable securities in each of the last five financial years, and what is the estimated revenue from stamp duty on marketable securities for the year 1964-65.
- \*2. MR. STONEHAM: To ask the Honorable the Premier—
1. Which Government or semi-governmental authorities burn fuel oil in their furnaces, and at what locations.
  2. What annual tonnages are consumed by each authority.
  3. What range of prices was paid for this oil over the last two years.
- \*3. MR. HOLDING: To ask the Honorable the Premier—
1. Whether he is aware of the threat to Victoria's brown coal industry by private oil companies "dumping" heavy fuel oil on the commercial and domestic fuel markets at costs designed to prevent effective competition from the State Electricity Commission in the marketing of briquettes.
  2. What steps (if any) the Government has taken to prevent this practice and, in particular, whether the Government has sought legal advice as to the possibility of placing a tax on certain aspects of production of heavy fuel oil in such a manner that such tax would not constitute an excise duty; if so, what are the details.
  3. Whether the Government has any other policies designed to protect the brown coal industry from this monopolistic practice of the oil companies; if so, what policies.
- \*4. MR. CLAREY: To ask the Honorable the Treasurer—
1. What annual contribution was paid by the State during the last financial year for interest and sinking fund charges in respect of the total revenue fund deficits of the years 1956-1957 to 1958-1959, inclusive.
  2. What amount was paid during the same period in respect of revenue deficits of previous years.
- \*5. MR. CLAREY: To ask the Honorable the Treasurer what total amounts were paid in respect of pay-roll tax last financial year by—(a) Government departments; and (b) semi-governmental and statutory authorities.
- \*6. MR. HOLDING: To ask the Honorable the Chief Secretary—
1. What is the present population of Lake Tyers Aboriginal Station, giving age and sex groups and the number of family units.
  2. How many houses have been removed from Lake Tyers Aboriginal Station in the last eighteen months.
  3. How many houses are now on the station, and how many of these are—(a) occupied by aborigines; (b) occupied by staff; and (c) vacant.
  4. How many aboriginal families have left Lake Tyers to be re-housed elsewhere by the Aborigines Welfare Board, giving the names of such families and the locations at which they have been re-housed.
  5. Whether any of the families referred to in part (4) above have returned to Lake Tyers; if so, how many families.

\* Notifications to which an asterisk (\*) is prefixed appear for the first time.

- \*7. MR. EVANS (*Gippsland East*) : To ask the Honorable the Chief Secretary whether the *Sheep Owners Protection (Amendment) Act* 1964 has been proclaimed; if so—(a) when; (b) how many stock carriers applied for approval as licensed sheep carriers; and (c) how many licences were—(i) granted; and (ii) not granted.
- \*8. MR. MOSS : To ask the Honorable the Minister of Education—
1. Whether any application has been made by the State Schools Committees and Councils Association of Victoria for an increase in the £750 annual subsidy granted this organization to meet a deficit in funds of £1,795 for the year ended 30th June, 1964.
  2. Whether he is aware of a recent financial statement of the State Schools Committees and Councils Association of Victoria which indicated that affiliation fees for the year ending 30th June, 1964, dropped from the previous years figure of £5,865 to £2,156 and whether he will confirm that the financial membership of this Association was 1211 for the year ending 30th June, 1964, an increase of 6 on the previous year.
  3. Whether he will obtain a copy of the draft constitution, at present in circulation, of the Council to be formed from the amalgamation of the State School Committees and Councils Association of Victoria and the Victorian Secondary Schools Advisory Councils Association with a view to considering the adequacy of the provision therein for the proper administration of one organization recognized by the Government to control State school committees and advisory councils before the present subsidies are re-allocated to the new organization.
  4. Whether the proposed new Council, which plans to omit the term 'State' from its title, will include, under the draft constitution mentioned, organizations in non-State as well as State schools.
  5. Whether he will ensure that, before any official recognition is given by the Government or his Department to the proposed Council, provision will be made for the democratic election of all officers by the annual conference of delegates of all financial affiliated organizations.
- \*9. SIR HERBERT HYLAND : To ask the Honorable the Commissioner of Public Works—
1. What moneys were made available by the Country Roads Board to metropolitan municipal councils in each of the last ten financial years and how much of those moneys were expended in each of those years.
  2. What moneys were expended by the Country Roads Board in the metropolitan area in each of those years.

## Notices of Motion and Orders of the Day.

No. 14.

WEDNESDAY, 21st OCTOBER, 1964.

### Questions.

- \*1. MR. DIVERS : To ask the Honorable the Premier whether, as the Government on numerous occasions has asserted that it believes in freedom of competition in all fields, he will undertake to introduce legislation to permit the State Savings Bank and the State Accident Insurance Office to compete against private trading banks and insurance offices in all aspects of these businesses.
- \*2. MR. HOLDING : To ask the Honorable the Premier—
1. What is the approximate cost of repairs to the Kings Bridge to date.
  2. When it is expected that repairs to the bridge will be completed and the bridge opened fully to traffic.
  3. Whether it is expected that on completion a limit will have to be placed on the maximum weight of any vehicle using the bridge ; if so, what weight.
- \*3. MR. CLAREY : To ask the Honorable the Treasurer—
1. How much money was granted during the financial year 1963-64 from revenue and loan funds, respectively, to each of the residential colleges affiliated with the University of Melbourne.
  2. What amounts are proposed to be granted during the current financial year.
  3. What is the basis upon which these sums are allocated.
- \*4. MR. EVANS (*Gippsland East*) : To ask the Honorable the Minister of Electrical Undertakings whether electric power will be supplied to residents in the Tambo Valley ; if so, when it is estimated such supply will be available.
- \*5. MR. TREWIN : To ask the Honorable the Commissioner of Public Works when tenders for the second and third sections of the Benalla Technical School will be called.
- \*6. MR. TREZISE : To ask the Honorable the Commissioner of Public Works—
1. When the Princes Bridge construction commenced at Geelong and what was the reason for the delay in construction.
  2. What was the original estimate of cost, what is the revised estimate, and what is the reason for any increased cost.
- \*7. MR. EVANS (*Gippsland East*) : To ask the Honorable the Commissioner of Public Works what total amount of funds was made available to the Country Roads Board in each of the last three financial years, and what amounts were allocated to each Board division during each of those years.
- \*8. MR. TREZISE : To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Housing—
1. What minimum weekly wage is required of an applicant with two children to purchase a house from the Housing Commission on the no-deposit scheme.

### *Questions.*

- \*1. MR. LOVEGROVE: To ask the Honorable the Chief Secretary—
  1. How many drivers, passengers, and other persons, respectively, have been—(a) killed; and (b) injured, in the metropolitan area and the rest of Victoria, respectively, in each month of this year, as a result of motor accidents.
  2. What action the Government has taken in an endeavour to reduce traffic accidents.

\* Notifications to which an asterisk (\*) is prefixed appear for the first time.

- \*2. MR. LOVEGROVE : To ask the Honorable the Chief Secretary—
1. How many drivers licences were issued in Victoria in each of the last three financial years in—  
(a) the metropolitan area ; and (b) the rest of Victoria.
  2. What is the existing scale of fees for drivers licences for different types of vehicles.
  3. How much was received from drivers licence fees in each of the last three financial years and what is the estimated income from this source for 1964-65.
- \*3. MR. LOVEGROVE : To ask the Honorable the Chief Secretary—
1. What amount was received from—(a) motor registration fees ; (b) surcharges ; and (c) any other charges, from motor vehicle owners or drivers, in the metropolitan area and the rest of Victoria respectively, in 1961-62, 1962-63, and 1963-64, and what are the estimated receipts for 1964-65.
  2. How those amounts were distributed and spent in each of those years.
- \*4. MR. FLOYD : To ask the Honorable the Attorney-General whether, as there appears to be a gap in the law whereby one parent can break the conditions set down in a court order for the sharing on a roster basis of the custody of children of legally-separated parents by disappearing from the State with the children, the Government intends, as an urgent measure, to amend the law so that such orders can be enforced by the police.
- \*5. MR. HOLDING : To ask the Honorable the Minister of Education whether he has completed his investigation into the recent allegation by the Member for Mornington that a master at Frankston High School had told pupils to distribute Labor Party propaganda in the recent South-Eastern Province by-election; if so, whether it has been established that any member of the staff—(a) being a member of the Labor Party ; or (b) not being a member of the Labor Party, directed or requested any student to disseminate political propaganda and, in that event, what is the name of the member of the staff and what disciplinary action will be taken against him.
- \*6. MR. WILTON : To ask the Honorable the Minister of Education—
1. What body has control of the physics laboratory now being used by the Secondary Teachers' College at the University of Melbourne.
  2. Whether these facilities will be available to the college next year ; if not, whether the Government has any plans for other suitable science teaching facilities to be made available to the college.
- \*7. MR. WILTON : To ask the Honorable the Minister of Education whether the Keilor Heights primary school has been allocated new class-rooms ; if so, how many and whether it is proposed to use portable class-rooms to establish the new classes.
- \*8. MR. TREZISE : To ask the Honorable the Minister of Labour and Industry—
1. Why the request of the Geelong West citizens, forwarded per the Geelong West City Council, was overridden by the granting of permits to transport operators to cart clinker through Church-street, Geelong West, during prohibited hours.
  2. Whether he will reconsider this matter immediately.
- \*9. MR. MUTTON : To ask the Honorable the Commissioner of Public Works—
1. What conditions are required for metropolitan roads to be designated as main highways.
  2. What roads within the metropolitan area are so designated and what is the length of road in each instance.
  3. Whether Sydney-road, between Bakers-road and Moreland-road, will be so designated; if so, when ; if not, why.
- \*10. MR. WILKES : To ask the Honorable the Commissioner of Public Works, for the Honorable the Minister for Local Government—
1. What municipalities received assistance from the Municipalities Assistance Fund in the year 1963-64 and what amount each municipality received.
  2. What municipalities were refused assistance and what were the reasons for refusal.
  3. For what type of works these grants are used by municipalities.
  4. Whether metropolitan municipalities receive assistance from this fund ; if not, why.
  5. What amount is now in the fund and how the fund is supplemented.
- \*11. MR. WILTON : To ask the Honorable the Commissioner of Public Works—
1. What amount of material used in the construction of the eastern approaches to the new Keilor bridge was condemned by the Country Roads Board.
  2. How long the contractor took to lay and consolidate the material.
  3. Whether the Country Roads Board had a Clerk of Works present throughout the laying of the material.

\*12. MR. FLOYD: To ask the Honorable the Commissioner of Public Works—

1. Whether Nelson Pier, Williamstown, has been placed under a ban for working ships by the Waterside Workers Federation because it considers the pier unsuitable for safe working and the amenities unsuitable.
2. Whether the Government has called for a report on the condition of the pier or whether it has accepted the published statement of the chairman of the Melbourne Harbor Trust (Mr. V. G. Swanson) that there is no reason why the pier cannot be worked.
3. Whether the Trust has any immediate plans for improving safety and general amenities at the pier; if so, when these works will be put in hand and what will be the approximate costs.

\*13. MR. TREZISE: To ask the Honorable the Minister of Transport—

1. Why several passenger trains on the Geelong-Melbourne route take longer to complete the journey under the new time-table introduced on 2nd November, 1964, than under the old schedules.
2. Why the 6.15 a.m. Geelong-Melbourne train takes ten minutes less for the journey than the 9.15 a.m. train, considering the respective conditions.

\*14. MR. DUNSTAN: To ask the Honorable the Minister of Water Supply whether the State Rivers and Water Supply Commission raised strong objection with the Mornington Shire Council against the establishment of a caravan park adjacent to the Mornington reservoir on the grounds that the site does not lend itself to the satisfactory disposal of effluent from septic tanks and that a caravan park on this site would increase the risk of pollution to Mornington's domestic water supply; if so, what action the Commission proposes to prevent the establishment of a caravan park.

\*15. MR. FLOYD: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Housing—

1. Whether he is aware of a statement made by the Western Industries Association in its annual report published on 29th October last, that the Housing Commission recently informed the Association, following its request for more housing units in the western areas to encourage more skilled workers to reside in that part of the metropolitan area, that there were no applications from people desiring units there.
2. Whether applications are outstanding in the western suburbs; if so, what are the respective figures for—(a) ordinary units; (b) "Darby and Joan" units; and (c) low-rental units, for each of the municipalities of Williamstown, Footscray, Altona, and Sunshine.

\*16. MR. DUNSTAN: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health, whether the estimated 3,000 gallons of effluent per day from the proposed caravan park adjacent to the Mornington reservoir will constitute a health hazard by the possible contamination of the water supply.

\*17. MR. HOLDING: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—

1. What agreement, if any, has been reached between the Commonwealth and the State for meat inspections to be included as a service organized and administered by the Commonwealth Government.
2. Whether any agreement has been made for Commonwealth and State and/or municipal meat inspectors to work together under the supervision of a Commonwealth Veterinary Officer; if so—(a) whether the agreement is in writing; and (b) how such agreement affects the terms and conditions of employment of State and/or municipal inspectors.
3. If the Honorable the Minister will lay the file (including copies of any agreements reached) on the table of the Library.

### Questions.

\*1. MR. CLAREY: To ask the Honorable the Treasurer—

1. What moneys have been paid into the Home Finance Fund No. 2 from each of the sources enumerated in sections 6 and 10 of the *Home Finance Act 1962*.
2. What total number and value of second-mortgage loans have been made.
3. What minimum and maximum amounts, respectively, have been advanced.
4. Whether there are any outstanding applications for second-mortgage loans; if so—(a) how many, and for what total amount; (b) for what reasons these applications have not been satisfied; and (c) whether there is a shortage of funds and, in that event, when the Home Finance Trust anticipates that further money will be available.
5. What surplus or deficit (as the case may be) is in the Home Finance Fund No. 2.

2. MR. LOVEGROVE: To ask the Honorable the Chief Secretary—

1. How many drivers, passengers, and other persons, respectively, have been—(a) killed; and (b) injured, in the metropolitan area and the rest of Victoria, respectively, in each month of this year, as a result of motor accidents.
2. What action the Government has taken in an endeavour to reduce traffic accidents.

3. MR. LOVEGROVE: To ask the Honorable the Chief Secretary—

1. How many drivers licences were issued in Victoria in each of the last three financial years in—(a) the metropolitan area; and (b) the rest of Victoria.
2. What is the existing scale of fees for drivers licences for different types of vehicles.
3. How much was received from drivers licence fees in each of the last three financial years and what is the estimated income from this source for 1964–65.

4. MR. LOVEGROVE: To ask the Honorable the Chief Secretary—

1. What amount was received from—(a) motor registration fees; (b) surcharges; and (c) any other charges, from motor vehicle owners or drivers, in the metropolitan area and the rest of Victoria respectively, in 1961–62, 1962–63, and 1963–64, and what are the estimated receipts for 1964–65.
2. How those amounts were distributed and spent in each of those years.

\*5. MR. LOVEGROVE: To ask the Honorable the Chief Secretary—

1. How many traffic police, police cars, and motor cycles, respectively, were available in—(a) the metropolitan area; and (b) the rest of Victoria, as at 31st December, 1963, and 31st October, 1964.
2. What highways and districts are patrolled by traffic police and how many police patrol each highway and district.

\*6. MR. LOVEGROVE: To ask the Honorable the Chief Secretary what was the strength of the Victoria Police Force as at 31st December, 1962, 31st December, 1963, and 31st October, 1964.

\* Notifications to which an asterisk (\*) is prefixed appear for the first time.

- \*7. **MR. HOLDING** : To ask the Honorable the Chief Secretary—
1. How many cases are being handled currently by the Parole Boards.
  2. How many officers are employed as probation and parole officers.
  3. How many of these officers are doing part-time university courses in addition to carrying out duties as probation and parole officers and writing pre-sentence reports.
  4. What average numbers of—(a) probation cases ; (b) parole cases ; and (c) pre-sentence reports, are handled by these officers.
  5. What is the maximum number of cases being supervised by any one parole officer.
  6. Whether, having regard to the fact that in addition to supervising probationers and preparing pre-sentence reports the officer may be attending university lectures, this number is considered too high.
  7. What are the minimum qualifications for employment as a parole officer.
- \*8. **MR. HOLDING** : To ask the Honorable the Chief Secretary—
1. Whether any aboriginal families who left Lake Tyers Aboriginal Reserve to live outside that settlement have expressed a desire to return to the reserve.
  2. Whether the Aborigines Welfare Board refused to permit any ex-resident of Lake Tyers to return to the settlement to live ; if so, what are the reasons for any such refusal, and whether such refusal has caused unnecessary hardship to these persons.
9. **MR. FLOYD** : To ask the Honorable the Attorney-General whether, as there appears to be a gap in the law whereby one parent can break the conditions set down in a court order for the sharing on a roster basis of the custody of children of legally-separated parents by disappearing from the State with the children, the Government intends, as an urgent measure, to amend the law so that such orders can be enforced by the police.
10. **MR. HOLDING** : To ask the Honorable the Minister of Education whether he has completed his investigation into the recent allegation by the Member for Mornington that a master at Frankston High School had told pupils to distribute Labor Party propaganda in the recent South-Eastern Province by-election ; if so, whether it has been established that any member of the staff—(a) being a member of the Labor Party ; or (b) not being a member of the Labor Party, directed or requested any student to disseminate political propaganda and, in that event, what is the name of the member of the staff and what disciplinary action will be taken against him.
11. **MR. WILTON** : To ask the Honorable the Minister of Education—
1. What body has control of the physics laboratory now being used by the Secondary Teachers' College at the University of Melbourne.
  2. Whether these facilities will be available to the college next year ; if not, whether the Government has any plans for other suitable science teaching facilities to be made available to the college.
12. **MR. WILTON** : To ask the Honorable the Minister of Education whether the Keilor Heights primary school has been allocated new class-rooms ; if so, how many and whether it is proposed to use portable class-rooms to accommodate the new classes.
- \*13. **MR. TURNBULL** : To ask the Honorable the Minister of Education—
1. How many students are at present pursuing first and second-year courses, respectively, in the School of Education at the Melbourne University.
  2. How many students are pursuing a course of study for the degree of Master of Education in the school.
  3. How many persons are expected to seek admission for courses of study in the school in 1965.
  4. Whether the university proposes to limit the number of such admissions ; if so—(a) to what number ; (b) for what reasons ; and (c) what effect such a restriction would have upon the teacher needs of the Department of Education during 1966 and onwards.
  5. What additional cost would be involved to enable all applicants for admission to proceed with courses of study in the School of Education in 1965.
14. **MR. TREZISE** : To ask the Honorable the Minister of Labour and Industry—
1. Why the request of the Geelong West citizens, forwarded per the Geelong West City Council, was overridden by the granting of permits to transport operators to cart clinker through Church-street, Geelong West, during prohibited hours.
  2. Whether he will reconsider this matter immediately.
- \*15. **MR. HOLDING** : To ask the Honorable the Minister of Labour and Industry—
1. Whether he has received a proposal from representatives of the Commonwealth Government requesting that State inspectors be authorized to police Commonwealth Industrial Awards and that States should authorize Commonwealth inspectors to police State Industrial Awards ; if so—(a) on what date ; and (b) whether it is known if other State Governments have entered into such reciprocal agreements.
  2. Whether there are any reasons preventing the State of Victoria entering into such reciprocal arrangements ; if so, what reasons.

16. **MR. MUTTON :** To ask the Honorable the Commissioner of Public Works—
1. What conditions are required for metropolitan roads to be designated as main highways.
  2. What roads within the metropolitan area are so designated and what is the length of road in each instance.
  3. Whether Sydney-road, between Bakers-road and Moreland-road, will be so designated; if so, when; if not, why.
- \*17. **MR. WILKES :** To ask the Honorable the Commissioner of Public Works, for the Honorable the Minister for Local Government—
1. What municipalities received assistance from the Municipalities Assistance Fund in the year 1963-64 and what amount each municipality received.
  2. What municipalities were refused assistance; what were the reasons for refusal; and what amounts were involved.
  3. For what type of works these grants are used by municipalities.
  4. Whether metropolitan municipalities receive assistance from this fund; if not, why.
  5. What amount is now in the fund and how the fund is supplemented.
18. **MR. WILTON :** To ask the Honorable the Commissioner of Public Works—
1. What amount of material used in the construction of the eastern approaches to the new Keilor bridge was condemned by the Country Roads Board.
  2. How long the contractor took to lay and consolidate the material.
  3. Whether the Country Roads Board had a Clerk of Works present throughout the laying of the material.
19. **MR. FLOYD :** To ask the Honorable the Commissioner of Public Works—
1. Whether Nelson Pier, Williamstown, has been placed under a ban for working ships by the Waterside Workers Federation because it considers the pier unsuitable for safe working and the amenities unsuitable.
  2. Whether the Government has called for a report on the condition of the pier or whether it has accepted the published statement of the chairman of the Melbourne Harbor Trust (Mr. V. G. Swanson) that there is no reason why the pier cannot be worked.
  3. Whether the Trust has any immediate plans for improving safety and general amenities at the pier; if so, when these works will be put in hand and what will be the approximate cost.
- \*20. **MR. BIRRELL :** To ask the Honorable the Commissioner of Public Works when the new Geelong Public Offices referred to in the Governor's Speech in September, 1962, will be built.
21. **MR. TREZISE :** To ask the Honorable the Minister of Transport—
1. Why several passenger trains on the Geelong-Melbourne route take longer to complete the journey under the new time-table introduced on 2nd November, 1964, than under the old schedules.
  2. Why the 6.15 a.m. Geelong-Melbourne train takes ten minutes less for the journey than the 9.15 a.m. train, considering the respective conditions.
- \*22. **MR. WILKES :** To ask the Honorable the Minister of Transport—
1. What is the name of the contractor constructing the additions to the new Spencer-street Railway Station, what are the terms of the contract, and when the work is scheduled to be completed.
  2. What was the amount of the accepted tender and what was the amount of the next lowest tender.
  3. What are the names of the unsuccessful tenderers.
23. **MR. DUNSTAN :** To ask the Honorable the Minister of Water Supply whether the State Rivers and Water Supply Commission raised strong objection with the Mornington Shire Council against the establishment of a caravan park adjacent to the Mornington reservoir on the grounds that the site does not lend itself to the satisfactory disposal of effluent from septic tanks and that a caravan park on this site would increase the risk of pollution to Mornington's domestic water supply; if so, what action the Commission proposes to prevent the establishment of a caravan park.
24. **MR. FLOYD :** To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Housing—
1. Whether he is aware of a statement made by the Western Industries Association in its annual report published on 29th October last, that the Housing Commission recently informed the Association, following its request for more housing units in the western areas to encourage more skilled workers to reside in that part of the metropolitan area, that there were no applications from people desiring units there.
  2. Whether applications are outstanding in the western suburbs; if so, what are the respective figures for—(a) ordinary units; (b) "Darby and Joan" units; and (c) low-rental units; for each of the municipalities of Williamstown, Footscray, Altona, and Sunshine.

- \*25. MR. WILKES : To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Housing—
1. How many tenants are housed in the Walker-street Estate at Northcote in—(a) one, two, and three-bedroom units, respectively ; and (b) single and double low-rental units, respectively.
  2. What rents are paid in each category.
  3. How many children are housed at the estate.
  4. What amount of municipal rates is paid in respect of the estate.
26. MR. DUNSTAN : To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health, whether the estimated 3,000 gallons of effluent per day from the proposed caravan park adjacent to the Mornington reservoir will constitute a health hazard by the possible contamination of the water supply.
27. MR. HOLDING : To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—
1. What agreement, if any, has been reached between the Commonwealth and the State for meat inspections to be included as a service organized and administered by the Commonwealth Government.
  2. Whether any agreement has been made for Commonwealth and State and/or municipal meat inspectors to work together under the supervision of a Commonwealth Veterinary Officer ; if so—(a) whether the agreement is in writing ; and (b) how such agreement affects the terms and conditions of employment of State and/or municipal inspectors.
  3. If the Honorable the Minister will lay the file (including copies of any agreements reached) on the table of the Library.

No. 24.

WEDNESDAY, 25TH NOVEMBER, 1964.

### Questions.

\*1. MR. CLAREY : To ask the Honorable the Treasurer—

1. What was the outstanding loan liability, as at the 30th June, 1960, and 30th June, 1964, respectively, in respect of moneys borrowed for the purposes of the *Railways Act 1958*.
2. How much was borrowed for such purposes during each of the last four financial years.
3. What amounts were paid during each of those four financial years in respect of interest, sinking fund payments, and exchange on moneys borrowed for railway purposes during such period.
4. What amount it is anticipated will be paid during 1964-65 as interest, sinking fund payments, and exchange on moneys borrowed for railway purposes since 1st July, 1960.

\*2. MR. FLOYD : To ask the Honorable the Premier whether the Government has given any consideration to the petition, bearing 10,500 signatures, presented to Parliament on the 30th September last, from the council and residents of the City of Williamstown relative to—(a) the serious fire hazards existing in their midst as a result of the numerous oil installations in closely populated areas ; (b) the further dangers inherent in the Melbourne Harbor Trust reclamation scheme at Point Gellibrand which is to include large oil tank installations ; and (c) the resultant loss of a large and picturesque area of the existing foreshore and beach and the consequent threat to the principal bathing beach ; if so, what action is contemplated by the Government in the near future.

\*3. MR. SCHINTLER : To ask the Honorable the Chief Secretary—

1. How often oil hoses used at wharves and bulk petrol storages are inspected.
2. Whose responsibility it is to see that such hoses are regularly inspected.
3. Whether he is satisfied with the existing methods of checking these hoses.

\*4. MR. CRICK : To ask the Honorable the Chief Secretary whether, in view of the strong opposition of the Altona Shire Council, local service organizations, and the overwhelming opposition expressed by the majority of ratepayers voting in a referendum held on Saturday, 17th October last, the Government intends proceeding with the establishment of a delinquent boys' training centre on the site of the old Truganina Explosives Reserve, Altona West, as previously outlined to the Altona Shire Council by Mr. A. R. Whatmore, Director-General of Social Welfare.

\*5. MR. CRICK : To ask the Honorable the Chief Secretary whether, arising out of the current wave of vandalism resulting in damage to youth club buildings and dressing pavilions on sporting reserves in the Braybrook-Maidstone areas, together with general acts of larrikinism by youthful gangs in these areas, the Police Department contemplates increasing the numbers of police attached to the Sunshine and Maidstone police stations.

\*6. MR. WILKES : To ask the Honorable the Chief Secretary—

1. How many motorists were booked in the last two traffic blitzes conducted by the Victoria Police Force.
2. How many of these motorists were booked for—(a) exceeding 35 miles per hour speed limit ; (b) exceeding 50 miles per hour speed limit ; (c) disobeying any traffic control signal ; (d) failing to give way at an intersection ; (e) driving over double lines ; (f) failing to keep to the left ; (g) failing to dip headlights ; (h) failing to give signals ; (i) unlawfully turning to right or left ; (j) disobeying a traffic sign ; (k) failing to have prescribed lights ; (l) driving in a dangerous manner ; (m) driving under the influence of alcohol (or drugs) ; (n) driving unroadworthy vehicles ; (o) driving without a licence ; (p) driving unregistered vehicles ; and (q) parking in prohibited or non-parking areas.

\* Notifications to which an asterisk (\*) is prefixed appear for the first time.

- \*7. MR. HOLDING : To ask the Honorable the Minister of Education—
1. What are the names of State secondary schools on the priority list for Commonwealth Government grants for the erection of science blocks.

No. 27.

WEDNESDAY, 2ND DECEMBER, 1964.

### Questions.

- \*1. SIR HERBERT HYLAND: To ask the Honorable the Chief Secretary whether Victoria is the only State in Australia which bans the use of shark guns; if so, whether he will give consideration to bringing Victoria into line with the practice of other Australian States.
- \*2. MR. HOLDING: To ask the Honorable the Chief Secretary—
1. How many families who left Lake Tyers for rehousing in country areas under the Aborigines Welfare Board's housing scheme have failed, or are failing, to become integrated into the community.
  2. Whether—(a) welfare officers of the Aborigines Welfare Board; or (b) any other persons, have made any detailed study of the problems of these families, and the reason for their failure to achieve integration; if so, whether any reports have been considered by the Board and, in that event, how the Board proposes to deal with these families.
  3. If he will lay any such reports on the table of the Library.
- \*3. MR. HOLDING: To ask the Honorable the Chief Secretary what property or land has been acquired by the Aborigines Welfare Board in the last twelve months, for what purpose such purchases have been made, and where such property or land is located.
- \*4. MR. HOLDING: To ask the Honorable the Chief Secretary whether Dr. D. Barwick recently made available to the Aborigines Welfare Board a report or copy of her unpublished thesis covering her studies of Victorian aborigines; if so, whether he will lay such report on the table of the Library.
- \*5. SIR HERBERT HYLAND: To ask the Honorable the Minister of Education whether, now that the Government is making subsidies on a £3 for £1 basis towards the erection of school assembly halls, he will recognize the outstanding work being done by mothers' clubs and subsidize these clubs on the same basis.
- \*6. MR. PHELAN: To ask the Honorable the Minister of Education whether he is aware that the Maryborough Technical College has lost university recognition in the subjects of mechanical engineering and electrical engineering due to lack of qualified staff and adequate equipment; if so, what steps are being taken to regain such recognition.
- \*7. MR. WILKES: To ask the Honorable the Minister of Electrical Undertakings—
1. When it is the intention of the State Electricity Commission to take over the electrical undertaking and the sale of electricity from the Northcote City Council.
  2. What are the reasons for the take-over in the case of the Northcote undertaking.

# LEGISLATIVE ASSEMBLY.

## Notices of Motion and Orders of the Day.

No. 35.

TUESDAY, 23RD MARCH, 1965.

### Questions.

\*1. MR. HOLDING: To ask the Honorable the Premier—

1. What are the twenty-five claims currently before the Public Service Board and who made each claim.
2. What, briefly, is the substance of each such claim; when each claim was first made; which of these claims have been partly determined; and, in each case, in respect of what parts they have yet to be determined.

\*2. MR. FENNESSY: To ask the Honorable the Premier—

1. Whether the Government has given any consideration to the recommendations arrived at by the Public Works Committee in its first Progress Report on the future supply of water by the Melbourne and Metropolitan Board of Works to the Melbourne area.
2. Whether he is still of the opinion that the waters of the Big River will not be diverted into the Board's system.

\*3. MR. WHITING: To ask the Honorable the Chief Secretary whether any fire-fighting equipment (including vehicles) was offered to the Country Fire Authority by the Department of Civil Aviation during the bushfire period this year; if so, what types of vehicles (if any) were used and at what locations.

\*4. MR. WILKES: To ask the Honorable the Chief Secretary—

1. What municipalities are affected by the Government's proposals to have clearways.
2. What locations in each municipality will be declared to be clearways, when they will be declared, and whether any clearways are now in existence.
3. To what extent the Government subsidizes municipalities for the cost of erecting clearway signs.
4. Whether the Government intends to police the clearways or whether municipalities will be responsible for this action.

\*5. MR. GAINNEY: To ask the Honorable the Chief Secretary whether, during the disastrous bushfires in Gippsland, the Yarrawonga Country Fire Brigade was asked to help; if so, what is the official opinion of the efficacy of Yarrawonga's towered spire nozzle machine which is mounted on a stand like a machine gun and which has been credited with sending a jet of water to a height of 80 feet or more up a blazing tree.

\*6. MR. GAINNEY: To ask the Honorable the Minister of Education—

1. Whether students from B class schools sitting for intermediate and leaving subjects are required to pay 10s. and 12s. 6d. per subject, respectively, and students from A class schools are not required to pay these charges; if so, why.
2. Whether married women, many of whom have children, are admitted to Melbourne and Monash Universities when other qualified students cannot be enrolled because of the quota system; if so, why.
3. How many qualified students were refused admission to Melbourne and Monash Universities and how many Asian students were accepted at these Universities.

*\* Notifications to which an asterisk (\*) is prefixed appear for the first time.*

\*7. MR. WILKES: To ask the Honorable the Minister of Education—

1. Which contractor constructed the additions to the Croxton special school.
2. How many tenders were received for the job, from whom they were received, and what was the amount in each case.
3. Whether any defects have been found in the completed job; if so, what defects and what was the cost of correction.
4. Whether the successful tenderer was awarded and has completed any other contracts for the Department; if so, in respect of what jobs and at what locations.

## Notices of Motion and Orders of the Day.

No. 42.

TUESDAY, 27TH APRIL, 1965.

### Questions.

1. MR. SCHINTLER: To ask the Honorable the Premier—
  1. How many units using domestic heating oil have been installed in Victoria since 1st January, 1963.
  2. Whether, in view of the adverse effect the use of domestic heating oil has on the sale of briquettes, the Government will give consideration to the imposition of a suitable tax or duty on the sale of this type of oil.
2. MR. WILKES: To ask the Honorable the Treasurer—
  1. How many teachers and public servants, respectively, contributed to the Superannuation Fund as at 30th June in each of the years 1962, 1963, 1964, and as at 30th March, 1965.
  2. What total amount was paid by contributors in 1962-63 and 1963-64.
  3. What was the number and the total amount of refunds of contributions paid in each of those two financial years.
  4. What amounts were invested as at 30th June in each of the years 1962, 1963, and 1964, and as at 30th March, 1965.
  5. When the reports of the State Superannuation Board for the years ended 30th June, 1963, and 30th June, 1964, will be available.
3. MR. MUTTON: To ask the Honorable the Minister of Transport whether it is the intention of the Victorian Railways Commissioners to give consideration to the adoption of double-decker carriages similar to those adopted by the New South Wales Government; if so, when; if not, why.
4. MR. HOLDING: To ask the Honorable the Minister of Transport if he will lay on the table of the Library the file dealing with the employment, and the termination of the employment, of Mrs. Josephine Oldaker, of 20 Manfred-avenue, St. Albans, a process worker employed by the Railways Department in the electrical workshops, Spencer-street, Melbourne.
5. MR. FLOYD: To ask the Honorable the Minister of Transport—
  1. Whether the Victorian Railways Commissioners have any plans to replace the manual train time indicators (under the clocks) at Flinders-street station and at Spencer-street station with electrically-controlled indicators.
  2. Whether, as the present indicators at Spencer-street station are situated a long distance from Spencer-street, it is planned to place other indicators at the Bourke and Collins-streets entrances.
6. MR. GAINNEY: To ask the Honorable the Minister of Lands, for the Honorable the Minister of Agriculture—
  1. Whether he will institute an inquiry to discover whether many of our song birds, game birds and insectivorous birds are dying due to the effects of pesticide residues.
  2. Whether—(a) agricultural areas such as orchards and pastures now carry pesticide residues; and (b) Victorian streams carry residues which kill fish; if so, whether aerial spraying has contributed to this undesirable state of affairs to a marked degree.
  3. Whether it has been ascertained that farmers and others are using spray in excess of that recommended by the Department of Agriculture.
  4. Whether, as dieldrin is considered to be one of the most potent destroyers, an alternative pesticide could be used.

\* Notifications to which an asterisk (\*) is prefixed appear for the first time.

7. MR. FLOYD: To ask the Honorable the Minister of Lands, for the Honorable the Minister of Agriculture—
1. What is the constitution of the Victorian Dried Fruits Board and what are the names of the members.
  2. Which members are employed—(a) full-time; and (b) part-time.
  3. What salaries and allowances are paid to—(a) the Chairman; (b) full-time members; and (c) part-time members.
  4. How many meetings of the Board were held in the last twelve months.
  5. What experience the Chairman and members of the Board have had in the dried fruits industry prior to or during service with the Board.
- \*8. MR. McDONALD (Rodney): To ask the Honorable the Minister of Water Supply, as work on the Gannawarra Picanniny drainage scheme has been in progress for eight years—(a) what is the estimated cost of this scheme; (b) how much has been expended to date; (c) what amount is allocated annually; and (d) when the State Rivers and Water Supply Commission expects this scheme to be completed.
- \*9. MR. McDONALD (Rodney): To ask the Honorable the Minister of Water Supply—
1. How many properties were taken over by the State Rivers and Water Supply Commission in the course of their water conservation programme over the last five years.
  2. Whether all owners were paid for property compulsorily acquired; if not—(a) how much is unpaid in respect of each of those years; and (b) when the Commission proposes paying these amounts.
10. MR. TREZISE: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health, whether officers of the Clean Air Committee of the Health Department visited Geelong in the last week to investigate the complaint of excessive dust fall-out in the Newtown and Hurne Hill areas; if so—(a) when the investigations took place; (b) who were the investigators and what is their status; (c) what was the nature of the investigations; (d) when a full report will be given on the matter which was the basis of the complaint; and (e) whether the Minister will assure the residents in this area that steps will be taken to prevent a repetition of excessive fall-outs, if the investigation discloses that the complaints were justified.
11. DR. JENKINS: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—
1. How many new registrations of medical practitioners were recorded by the Medical Board in each of the last five years.
  2. How many of these new registrations in each year were in respect of—(a) new Victorian graduates; (b) interstate graduates; (c) overseas graduates; (d) practitioners registered on the certificate of the foreign practitioners qualification committee; and (e) temporary registrations.
  3. How many applications for registration were refused and what were the grounds for refusal.
  4. How many registered medical practitioners were erased from the register or suspended, and what were the grounds in each case.
12. DR. JENKINS: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—
1. How many medical practices in Victoria are subsidized by the Hospitals and Charities Commission, what is the location of each such practice, and what annual subsidy is payable in each case.
  2. Whether subsidized medical practitioners are under contract; if so—(a) for what period of time; (b) what safeguards are taken to maintain the service for the duration of the contract; and (c) whether it is permissible for the subsidized medical practitioner to continue private medical practice in the same area after the expiry of the contract.
- \*13. DR. JENKINS: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Forests—
1. What has been the cost of the siren eradication campaign to date.
  2. What part of this amount has been expended on—(a) research work; (b) field work; (c) use of publicly-owned vehicles; and (d) hiring of, or mileage allowances for, private vehicles.

No. 43.

WEDNESDAY, 28TH APRIL, 1965.

### Questions.

\*1. MR. WILKES: To ask the Honorable the Premier—

1. How many persons were employed by each Government department and public utility as at 30th June, 1964.
2. How many persons were engaged and had their services terminated, respectively, in each Government department and public utility in the year 1964.

\*2. SIR HERBERT HYLAND: To ask the Honorable the Chief Secretary whether he will ask the Chief Commissioner of Police to furnish a report concerning duties of which policemen could be relieved, with a view to taking measures to have those duties performed by civilians.

\*3. SIR HERBERT HYLAND: To ask the Honorable the Attorney-General whether, where a person transfers his property to a member of his family by deed of gift complying with payment of all duties and lives for three years subsequent thereto, and remains in residence because of age, illness, loss of wife, &c., but retains no interest in such property, the Government will have the law amended to provide that in no case shall residence of the donor on or in the property gifted in itself in any way constitute an interest in the gifted property.

\*4. MR. LOVEGROVE: To ask the Honorable the Chief Secretary, in each of the last three years, what amounts were received in premiums and paid as claims, respectively, in respect of workers compensation by— (a) the Chamber of Manufacturers Insurance Company; and (b) the Victorian Employers Federation Insurance Company.

\*5. MR. WILTON: To ask the Honorable the Chief Secretary—

1. What size is the area for which Fawkner police are responsible.
2. What was the estimated population in this area as at 30th June, 1962, 1963, and 1964, respectively, and what is the present estimated population.
3. How many police were stationed at Fawkner as at 30th June, 1962, 1963, and 1964, respectively, and how many are now stationed there.
4. Whether any ratio of police to population is recognized by the Police Department as desirable to ensure adequate police protection; if so, what is that ratio.
5. What revenue has been received at Fawkner police station during each of the financial years 1961-62, 1962-63, 1963-64, and during the current financial year to date.
6. Whether the Hume Highway, which partly comes within the jurisdiction of Fawkner police, is one of the busiest highways in the State.
7. How many traffic infringements, non-fatal road accidents, and fatal road accidents, respectively, were investigated, and how many arrests were made by, Fawkner police during each of the years 1961-62, 1962-63, 1963-64, and during the current financial year to date.
8. Whether, in view of the volume of police work at Fawkner, consideration will be given to increasing the personnel at Fawkner police station.

\*6. MR. SCANLAN: To ask the Honorable the Minister of Education whether his attention has been drawn to recent statements on television and in the newspapers that there are deficiencies of drinking taps and sanitary pans at Oakleigh High School; if so, what action the Government intends to take to improve the position.

*\* Notifications to which an asterisk (\*) is prefixed appear for the first time.*

- \*7. MR. WILTON: To ask the Honorable the Minister of Education whether, in view of the vandalism occurring at the Broadmeadows Technical School, he will take immediate steps to have a caretaker's residence provided at the school.
- \*8. MR. LOVEGROVE: To ask the Honorable the Minister of Public Works, for the Honorable the Minister for Local Government, if he will ascertain and inform the House—
1. When the Melbourne and Metropolitan Board of Works decided upon the route for the ring road through Clarendon-street, East Melbourne.
  2. Whether members of the Board voted on the route; if so, what were the figures of the voting for and against the proposal.
  3. When the Board decided upon the Metropolitan Planning Scheme at present being exhibited.
  4. Whether members of the Board voted on the plan; if so, what were the figures for and against the plan.
  5. For how long—(a) the ring road route; and (b) the planning scheme, were under consideration by the Board.
- \*9. MR. WILKES: To ask the Honorable the Minister of Public Works—
1. What amounts were collected by the Country Roads Board from motor registration fees in the years 1961-62, 1962-63, 1963-64, and 1964-65, in each of the following classes—(a) private; (b) commercial and hire; (c) primary producers trucks; and (d) licences under the *Motor Car Act* 1958 for trailers and motor cycles, respectively.
  2. What number of registration certificates for—(a) new vehicles; (b) second-hand vehicles; (c) re-registered vehicles; and (d) renewals, was issued in each of the years 1961-62, 1962-63, 1963-64, and 1964-65, in the following classes—(i) private; (ii) commercial and hire; (iii) primary producers trucks; and (iv) licences under the *Motor Car Act* 1958 being for trailers and motor cycles, respectively.
  3. What total number of vehicles and motor cycles was registered in each of the years 1961-62, 1962-63, 1963-64, 1964-65, and what was the percentage increase over the previous year in each case.
- \*10. MR. STONEHAM: To ask the Honorable the Minister of Transport—
1. Whether the Railways Commissioners recently made a recommendation to him that the Healesville line be closed to traffic; if so, what were the terms of the recommendation and what action (if any) the Government intends taking.
  2. If he will lay on the table of the Library the file dealing with this question.
- \*11. MR. GAINNEY: To ask the Honorable the Minister of Lands, for the Honorable the Minister of Agriculture, whether, in view of the deleterious effect of dieldrin, the Minister of Agriculture will urge that C.S.I.R.O. attempt to produce an alternative pesticide having the required value as a destructor of insect pests, &c., without the harmful residual effects of dieldrin.
- \*12. MR. WHITING: To ask the Honorable the Minister of Lands, for the Honorable the Minister of Agriculture, whether, in view of the serious shortage of superphosphate throughout the State and the proximity of the sowing season in the early-cereal-growing districts in the north-west of Victoria, the Minister of Agriculture will endeavour to encourage manufacturers to ensure that adequate supplies of this vital commodity reach the area, thereby avoiding the possibility of drastic reductions in food production.
- \*13. MR. FENNESSY: To ask the Honorable the Minister of Water Supply—
1. What irrigation districts are operating under the *Water Act* 1958.
  2. What cash surpluses (if any) were earned in respect of each of the districts last financial year.
- \*14. MR. FENNESSY: To ask the Honorable the Minister of Water Supply how many assaults on water bailiffs occurred in each irrigation district over the past five years, giving—(a) the nature of the assault in each case; (b) whether any of the bailiffs were confined to hospital as a result; and (c) whether any of the assailants were proceeded against by the police and; if so, what penalties (if any) were applied in each case.
- \*15. MR. WILKES: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—
1. Who are the members of the Interim Advisory Committee set up by the Minister to examine the proposals of the institutional staff superannuation fund.
  2. What are the terms of reference of the Committee.
  3. Why the new superannuation proposals were taken out of the hands of the Victorian Teaching Hospitals Association.
  4. When the scheme will be introduced and become operative.
- \*16. MR. EVANS (*Gippsland East*): To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Forests, how many years it is estimated the timber resources of Erinundra Plateau will last at a logging rate of 20,000,000 super feet of logs per annum.

\*17. MR. EVANS (*Gippsland East*): To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Forests—

1. What amount of money was made available to the Forests Commission in each of the last five financial years from—(a) the Consolidated Revenue; (b) the Loan Fund; and (c) the Forestry Fund.
2. What total amount in royalties was received in each of these years from each division from—(a) native timbers; and (b) pine plantations.
3. What amount was spent in each such year for—(a) fire fighting; (b) silviculture; (c) access roading; (d) softwood plantings; and (e) quarters and buildings.
4. How many employees were engaged on fire fighting operations in Gippsland during February and March last; what average overtime hours was worked; and what average overtime pay was earned.

NOTICES OF MOTION:—

## Notices of Motion and Orders of the Day.

No. 48.

TUESDAY, 11TH MAY, 1965.

### Questions.

1. MR. EVANS (*Gippsland East*): To ask the Honorable the Chief Secretary—(a) whether he will ascertain and inform the House as to the nature of the research programme at present being carried out in Tasmanian waters by the Commonwealth and Tasmanian Governments into tuna fisheries; and (b) whether the Government will seek the extension of the programme into waters accessible to Victorian ports, with a view to the possible extension of the tuna industry in this State.
2. SIR HERBERT HYLAND: To ask the Honorable the Minister of Electrical Undertakings—
  1. What is the present estimated cost of the Hazelwood power station.
  2. Whether any other charges are associated with this power station; if so, what charges.
  3. What is the estimated cost of establishing the Churchill township.
- \*3. MR. MUTTON: To ask the Honorable the Minister of Electrical Undertakings whether, referring to his reply to question number eleven asked in this House on Wednesday, 14th April last, he will illustrate the benefits received by small users of electricity, of whom pensioners comprise a large proportion, by tabulating the decreases in the rate per unit below the maximum rate of 6·96d. per kWh. for supply of electricity for domestic purposes.
- \*4. MR. DUNSTAN: To ask the Honorable the Minister of Electrical Undertakings—
  1. What investigations were made to determine the best route for the 66,000 volt power line from Frankston to the B.P. refinery at Crib Point.
  2. Whether work has started on erection of the power line; if so, what stage has been reached.
  3. Whether the Shire of Hastings considered the proposed route; if so, whether the State Electricity Commission has received the council's views.
  4. Whether the Commission advised the Westernport Joint Advisory Planning Committee of the proposal; if not, why.
  5. To what extent destruction of trees and shelter belts on the roadside and on private property is proposed to provide for the erection of the power line.
  6. Whether the proposed siting of the power line could be an obstruction to the new road to by-pass Somerville, Tyabb and Hastings on the west.
  7. What are the views of the Commission on the claim that it is not a sound business proposition to route a 66,000 volt power supply through a rural zone, when a port and industrial area are planned along the Stony Point railway and along the foreshore of Tyabb from Long Island northwards.
  8. Whether the Commission considers the power line will interfere with activities and future development of the Peninsula Aero Club at Tyabb.
  9. Whether the Commission contacted the Department of Civil Aviation as to possible interference of the power line with flying safety.
5. MR. WILTON: To ask the Honorable the Minister of Transport—
  1. What is the estimated opening date of the Gowrie railway station.
  2. What train time table is proposed for the line from Fawkner to Upfield.

\* Notifications to which an asterisk (\*) is prefixed appear for the first time.

6. MR. GAINNEY : To ask the Honorable the Minister of Lands, for the Honorable the Minister of Agriculture—
1. Whether the Minister of Agriculture will arrange for officers of the Department to publish warnings in the daily press to the users of pesticides, particularly drawing attention to the grave dangers in the use of "1080".
  2. What action (if any) can be taken against persons who disregard the manufacturers' instructions and use insecticides at greater strength than that recommended.
7. SIR HERBERT HYLAND : To ask the Honorable the Minister of Water Supply, for the Honorable the Minister of State Development, what was the basis of subsidy in respect of each of the items set out in the reply to question number eight asked in this House on Wednesday, 5th May, instant.
8. MR. PHELAN : To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Housing—
1. How many loans were made available by the Home Finance Trust in respect of homes in the metropolitan area and country areas, respectively, during each financial year from 1959-60 to 1963-64, inclusive.
  2. What total sum was advanced during each of the above-mentioned years.
- \*9. MR. SCANLAN : To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—
1. How many institutions in Victoria can be regarded as providing hostel accommodation for mentally retarded children and where they are located.
  2. In respect of these institutions—(a) how many inmates there are ; (b) how many applications for accommodation are outstanding ; (c) what is the average waiting period for accommodation ; (d) what costs were incurred in each of the last three complete financial years in the provision of accommodation ; and (e) what is the weekly cost per inmate of the provision of such accommodation.
  3. What is the estimated cost of providing hostel accommodation to the mentally retarded children in respect of whom applications are outstanding.
  4. What plans the Government has for future action to accommodate those who require such hostel accommodation.
