LEGISLATIVE ASSEMBLY.

Notices of Motion and Orders of the Day.

No. 5.

WEDNESDAY, 29TH SEPTEMBER, 1965.

Questions.

- *1. MR. HOLDING: To ask the Honorable the Treasurer whether, in view of the relevance of the recommendations of the Vernon Committee to Victoria's future economic development, he will endeavour to arrange for copies of this report to be made available to all Honorable Members.
- *2. MR. FLOYD: To ask the Honorable the Premier whether, in view of his answer to question No. 1 asked in this House on 21st September instant, that it was thought desirable to wait a little while before issuing an up-to-date State Public Offices Telephone Directory, he will take steps to supply each Member of Parliament with a list of the names and telephone numbers of Departmental Secretaries and Ministers' Secretaries in order to assist Members with correspondence and telephone calls; such list, if issued, to be brought up to date periodically.
- *3. MR. EVANS (*Gippsland East*): To ask the Honorable the Chief Secretary whether certain aspects of the Workers Compensation Act have been referred to Judge Stretton for inquiry and report; if so, what are the terms of reference and when it is expected that the report will be finalized.
- *4. MR. HOLDING: To ask the Honorable the Minister of Education what was the percentage of full-time students in each age group from 15 to 19 years from 1958 to 1964, inclusive.
- *5. MR. RING: To ask the Honorable the Minister of Education—
1. Whether, with regard to a letter forwarded by the Education Department to the headmistress of the girls high school, Preston, dated the 14th May, 1963, stating that seven enumerated alterations and additions would be carried out at the school, he will indicate when it is expected each of such works will be effected.
 2. Whether the assistant chief inspector reported in 1961 upon the urgent need for a library, science laboratories, offices, staff rooms, commercial rooms, art rooms, store rooms and a kitchen; if so, what action (if any) the Department has taken in connexion with such report.
 3. When it is proposed to make provision in the school for a new library and science laboratories.
- *6. MR. HOLDING: To ask the Honorable the Minister of Education whether he is aware of the recent statement made by Senator Gorton, Minister of State for Works, that—(a) talk of crisis in education was nonsense; (b) present spending on education would more than meet numbers expected in the future; and (c) universities in the future would not admit all matriculants, as a matter of educational judgment; if so, whether he has any statement to make to the House on these matters.
- *7. MR. DIVERS: To ask the Honorable the Minister of Electrical Undertakings—
1. Whether the briquetting plant stored in Germany at a cost of £612,130 has yet been sold; if not, whether the storage charge of £8,980 per annum has been increased and, in that event, by how much.
 2. If the plant has not been sold, what action (if any) the State Electricity Commission proposes taking to obviate further storage charges.
- *8. MR. FLOYD: To ask the Honorable the Minister of Transport whether, because visibility becomes difficult when emerging from ramps at the Swanston-street end of the Flinders-street railway station on to the main concourse due to the sudden eye-contact with daylight, he will investigate the matter with a view to the installation of some lighting to neutralize the daylight.

* Notifications to which an asterisk (*) is prefixed appear for the first time.

- *9. MR. EVANS (*Gippsland East*): To ask the Honorable the Minister of Lands if he will lay on the table of the Library the file relating to the applications for permission to erect and manage an aquarium on Bullock Island, Lakes Entrance.
- *10. MR. FLOYD: To ask the Honorable the Acting Minister of Public Works—
1. Whether the Country Roads Board has completed its plans for the widening of Kororoit Creek-road in the municipality of Williamstown; if so—(a) when it expects to commence negotiations with business people, householders, and organizations, where land acquisition is involved; (b) whether these people will be permitted to retain sufficient of their blocks after the necessary strips have been acquired to re-build on the same sites; and (c) whether the widening of Kororoit Creek-road includes grade separation at North Williamstown railway station and, in that event, what type is planned and when it is expected the work will commence.
 2. If plans are not completed, when completion is expected and when notices will be sent out relative to any proposed acquisition of land.
- *11. MR. WILTON: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Housing—
1. What caused the sagging of certain walls of a two-storied building under construction for the Housing Commission in Kiewa-crescent, Broadmeadows.
 2. Whether the site was tested prior to commencing construction to determine if it was suitable for a two-storied building.
 3. What type of foundations was used.
 4. Whether the foundation trenches were inspected before the foundations were poured; if so, by whom.
 5. What is the estimated cost of the repairs to be effected and by whom such cost will be borne.
 6. Whether this cost will be added to the sale price of the homes affected or any other homes.

NOTICES OF MOTION :—

WEDNESDAY, 13TH OCTOBER, 1965.

Questions.

*1. SIR HERBERT HYLAND: To ask the Honorable the Premier—

1. What is the gross amount received to date under the *Roads (Special Projects) Act 1965*, No. 7283.
2. What amount (if any) has been deducted for the cost of collection.
3. Whether, as Cabinet has approved of a five-year special projects programme of works, he will supply a list of these works, giving the approximate date on which each will be commenced and the estimated cost in each instance.

*2. MR. EVANS (*Gippsland East*): To ask the Honorable the Treasurer whether he is aware of a statement made on the Australian Broadcasting Commission's regional news service to Gippsland on Friday last to the effect that the Minister for Local Government had advised the Maffra Shire Council that funds have been made available for the replacement of bridges and culverts destroyed in the last bushfires; if so—(a) under what terms and from what source these funds have been allocated; and (b) whether similar advice has been conveyed to other municipalities affected.

*3. MR. EVANS (*Gippsland East*): To ask the Honorable the Premier—

1. What costs are currently incurred by an applicant for a permissive occupancy to construct a jetty.
2. Whether the Lands Department proposes to vary these charges; if so, how.
3. Whether the Public Works Department has been consulted regarding any proposed variation in charges.
4. Which department has jurisdiction over—(a) coastal waters; (b) waters of natural lakes; (c) waters of artificial lakes; and (d) waters or rivers and streams, and whether the Lands Department issues permissive occupancies for each of the above categories; if not, under what circumstances permissive occupancies are not required.

*4. SIR HERBERT HYLAND: To ask the Honorable the Chief Secretary—

1. As the Victorian Football League has decided not to take any action in the John Sommerville football case, when a decision is expected as to whether police action will be taken on the matter.
2. If he will lay on the table of the Library the police report on this case.

*5. MR. DIVERS: To ask the Honorable the Attorney-General whether he is aware that numbers of landlords now require tenants of long standing to sign a lease of occupancy, instead of renewing weekly renting, thereby preventing the tenants from receiving the protection of the provisions of the Landlord and Tenant Acts; if so, what action he proposes taking to protect such tenants.

*6. DR. JENKINS: To ask the Honorable the Attorney-General whether a court house is to be built at Warburton; if so, whether plans have been drawn and when tenders will be called.

*7. MR. LOVEGROVE: To ask the Honorable the Chief Secretary—

1. How many persons were detected driving unregistered motor vehicles in each of the years 1960 to 1965.
2. How many persons were prosecuted for driving such vehicles in each of the above years.
3. How many persons were convicted of driving a motor vehicle without a licence in each of the above years.

* Notifications to which an asterisk (*) is prefixed appear for the first time.

- *8. MR. LOVEGROVE: To ask the Honorable the Minister of Education—
1. What are the estimated enrolments for 1966 in—(a) Princes Hill High School, Carlton; (b) Lee-street State School, Carlton; (c) George-street State School, Fitzroy; (d) Gold-street State School, Collingwood; and (e) Spensely-street State School, Clifton Hill.
 2. What provisions are—(a) considered necessary; and (b) being made—to enable the above schools to adequately—(i) accommodate, and (ii) teach—these school populations in 1966.
- *9. MR. BIRRELL: To ask the Honorable the Minister of Education what progress has been made with regard to—(a) the tender advertised by the Public Works Department on 12th June, closing 25th June, for hot water installation at the departmental residence at 40 Fyans-street, Chilwell; and (b) the tender advertised on 10th July, closing 23rd July, for repairs and painting of a most urgent nature at the same residence.
- *10. SIR HERBERT HYLAND: To ask the Honorable the Minister of Education if he will lay on the table of the Library the file relating to the proposed technical school for Leongatha.
- *11. SIR HERBERT HYLAND: To ask the Honorable the Minister of Electrical Undertakings—
1. What progress (if any) has been made by the State Electricity Commission regarding the acquisition of the ten municipal electricity undertakings in the metropolitan area.
 2. Whether the Commission really desires to acquire these undertakings; if so, what is the reason for the inordinate delay in doing so.
 3. Whether the Commission approached the Government concerning the introduction of the necessary legislation to bring the acquisition to finality; if not, why.
- *12. SIR HERBERT HYLAND: To ask the Honorable the Minister of Electrical Undertakings when the State Electricity Commission expects to extend its supply to Wilson's Promontory.
- *13. SIR HERBERT HYLAND: To ask the Honorable the Minister of Electrical Undertakings—
1. Whether the Chairman of the State Electricity Commission, following his recent world tour, is satisfied that electricity can be generated cheaper from Latrobe Valley brown coal than from nuclear power; if so, what is the comparison.
 2. Whether future generation of electricity in Victoria will be from brown coal.
 3. How often the demand for electricity doubles.
 4. When the eight units at the Hazelwood power station will come into operation.

Questions.

- *1. SIR HERBERT HYLAND: To ask the Honorable the Treasurer whether, as he has increased from £30,000 to £36,000 the maximum amount of Government subsidy towards the cost of erection of assembly halls in schools, he will apply the £36,000 limit to schools which erected assembly halls on the £3 to £1 basis with a subsidy of up to £30,000.
- *2. SIR HERBERT HYLAND: To ask the Honorable the Premier—
 1. Who recommended the list of works and who arranged the priority of the works referred to in his answer to question No. 1 asked in this House on Wednesday, 13th instant.
 2. Why the South Gippsland Highway was not included in the list.

- *3. MR. WILKES: To ask the Honorable the Premier—
1. Whether, following recent observations by a member of the judiciary in General Sessions as to the lack of a first-aid room and trained medical staff, provision is being made for the establishment of a first-aid room at the law courts; if so, whether trained medical staff will be employed on a full-time basis.
 2. What Government departments (if any) have a first-aid or medical room, and what trained staff is available for duty in such rooms.
 3. Where trained staff is not available, what provision is made for immediate aid to—(a) persons becoming ill whilst on duty; and (b) members of the general public who become ill whilst transacting business in State Government departments.
 4. How many persons will be employed in the new office block now under construction in Treasury-place.
 5. Whether provision is being made in this office block for a completely-equipped medical room with full-time medical staff; if so, what staff is expected to be employed; if not, whether any first-aid or medical facilities will be provided and, in the event that no such facilities are proposed, why.
4. MR. EVANS (*Gippsland East*): To ask the Honorable the Minister of Transport—
1. Whether the Country Roads Board is transporting concrete beams and piles by road to the site of the bridge being constructed over Traralgon Creek on the Princes Highway; if so, whether this is a breach of the assurance he gave in this House in the course of the budget debate on 3rd October, 1963, that he had issued instructions that such materials must be transported by rail.
 2. What tonnage of concrete beams and piles have been transported by road by the Country Roads Board in each of the last two financial years and whether the vehicles used for the purpose are subject to the provisions of the *Transport Regulation Act 1958*.
- *5. MR. McDONALD (*Rodney*): To ask the Honorable the Minister of Water Supply—
1. How many farms in the Murray-Goulburn Irrigation Districts, which had not been irrigated prior to 30th June last, are to receive water during the current season.
 2. What total area is involved.
 3. How many acre-feet of water are to be allotted.
- *6. SIR HERBERT HYLAND: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—
1. In each of the last three years how many inmates were in—(a) Kew cottages; (b) Janefield; (c) Travancore; and (d) other Government institutions for mentally-handicapped children.
 2. How many names were on the waiting list for each of the above institutions in each of the last three years.

WEDNESDAY, 24TH NOVEMBER, 1965.

Questions.

- *1. SIR HERBERT HYLAND: To ask the Honorable the Premier—
Further to his answer to a question asked in this House on 17th November instant, regarding works in connexion with the Tullamarine airport—
1. Whether it is considered that the section of the Tullamarine Freeway, now being constructed by the Country Roads Board, will be damaged by the cartage of heavy loads of material for the construction of the airport.
 2. When the Melbourne and Metropolitan Board of Works will commence work on—(a) the 15-inch water main to the boundary of the airport; and (b) the sewerage proposal—and about what date these two works will be completed.
 3. When the State Electricity Commission expects agreement will be reached with the Commonwealth Department of Works on the electricity requirements for the airport, and approximately how soon after reaching agreement the work will be—(a) commenced, and (b) completed.
 4. Whether there was any agreement, either verbal or in writing, as to who should provide the roadways to the airports at—(a) Sydney; and (b) Melbourne.
- *2. SIR HERBERT HYLAND: To ask the Honorable the Chief Secretary whether, in view of the ever increasing tragic loss of life on the Victorian roads, the Government will compel car manufacturers to fit safety belts as standard equipment on all new cars in order to minimize the mounting tragedy of road accidents.
- *3. MR. BIRRELL: To ask the Honorable the Acting-Minister of Public Works whether any approximate target date is available for the calling of tenders for State Public Offices for Geelong and district; if so, what is the date; if not, where Geelong stands on the priority list.
- *4. MR. DUNSTAN: To ask the Honorable the Minister of Lands what is the reason for the delay in dealing with the application made last April to have Beach-road, Rhyll, Phillip Island, excised from the Foreshore Reserve to make Beach-road a Government road; and when a decision in this matter can be expected.
- *5. SIR HERBERT HYLAND: To ask the Honorable the Minister of Lands—
1. How many persons applied for the 21 irrigated dairying and fruit properties recently made available in the Shepparton area.
 2. Whether it is intended to make any more farming properties available for selection in the next twelve months; if so—(a) in what areas; and (b) how many blocks.
- *6. DR. JENKINS: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—
1. Whether the attention of the Minister has been drawn to the Starr Committee report on the organization of the State hospital system in New South Wales.
 2. Whether, after consideration of this report, the Minister will examine the question of a similar inquiry into the State hospital system in Victoria.
- *7. MR. WILKES: To ask the Honorable J. F. Rossiter, for the Honorable the Minister of Health—
1. How many—(a) males; and (b) females, are on the waiting list for each of the following benevolent homes:—Mount Royal, Cheltenham, Greenvale, and Caulfield.
 2. What is the average length of waiting time for each of the above homes.
- *8. SIR HERBERT HYLAND: To ask the Honorable the Minister of Immigration, for the Honorable the Minister for Local Government, if he will ascertain and inform the House why the Commonwealth Golf Club in the city of Moorabbin cannot be called upon to pay half the cost of constructing Vernal-road (a private street) in that city, when the golf club owns one side of this private street.

** Notifications to which an asterisk (*) is prefixed appear for the first time.*

- *9. SIR HERBERT HYLAND: To ask the Honorable J. W. Manson, for the Honorable the Minister of State Development, what is being done by the Government to find a tenant for the empty factories at Traralgon, formerly occupied by La Mode Industries and the Kiwi Polish Company.

Notices of Motion and Orders of the Day.

No. 31.

WEDNESDAY, 2ND MARCH, 1966.

Questions.

*1. MR. STONEHAM: To ask the Honorable the Premier—

1. If he will ascertain and inform the House—(a) whether certain Members of the Ministry hold, or have held, while being Ministers of the Crown, directorships of public companies; if so, what Ministers and which companies; and (b) on what dates these Ministers accepted public company directorships and on what dates any of the directorships were relinquished.
2. Whether, in view of the circumstances connected with the recent resignation of the Minister for Local Government from a company directorship, he will now implement firmly established principles recognized by leaders of democratic governments throughout the world, that, to avoid conflict of interests or the appearance of such, Ministers should not hold directorships of public companies.

*2. MR. MUTTON: To ask the Honorable the Chief Secretary whether, in view of the disquieting statements publicly made in respect of Pentridge, the Government will appoint a committee or board of inquiry with power to obtain the opinion of expert overseas penologists and to consider the building of a modern gaol and the removal of Pentridge from the City of Coburg to a site away from such a crowded and expanding area; if not, why.

*3. MR. FLOYD: To ask the Honorable the Chief Secretary—

1. Whether any Totalizator Agency Board agencies have been established at tourist resorts; if so, where, and for what periods of the year these agencies operate.
2. If no such agencies have been established, whether the Government has any plans in that direction; if not, whether consideration will be given to the proposal.

*4. MR. FLOYD: To ask the Honorable the Minister of Education whether the plans for the re-construction of the Williamstown High School are proceeding on schedule; if so, when he anticipates the site works will commence.

*5. MR. FLOYD: To ask the Honorable the Minister of Education—

1. As development (including the planting of seed) at the sports oval at the Williamstown Girls' High School has been held up since at least April, 1965, waiting on an inspection by an officer of the Department, when it is expected that such an inspection for approval of the work will be made.
2. Whether, if such an inspection cannot be fitted into the tight schedules of the officer concerned and as the Advisory Council has the land and the finance to proceed with the work, approval could be granted at least for the planting, leaving full inspection to be carried out later.

*6. MR. FLOYD: To ask the Honorable the Minister of Education—

1. When the site was purchased for the erection of a high school to serve South Melbourne and the surrounding districts.
2. When it is proposed to establish the school, and whether a decision has been reached as to what premises it will occupy.
3. Whether plans for the school have been prepared; if so—(a) what is the design; and (b) whether the plans are available for inspection—if not, when the plans are expected to be prepared.
4. How many high schools were established in the metropolitan area in each of the years 1953, 1954 and 1955, and what are the names and locations of such high schools.

* Notifications to which an asterisk (*) is prefixed appear for the first time.

*7. MR. STONEHAM: To ask the Honorable the Minister for Fuel and Power—

1. When it is anticipated that the report of Dr. Charles Hetherington on the development of natural gas resources in Victoria will be furnished to the Government, and when copies of the report will be available to Members of this House.
2. Whether the Government has received reports from the Gas and Fuel Corporation and/or the State Electricity Commission on this subject; if so, if he will lay such reports on the table of the Library.
3. Whether he will give an undertaking to this House that no major agreement will be entered into with Esso-B.H.P. without the prior approval of Parliament.

*8. MR. FLOYD: To ask the Honorable the Minister of Lands, for the Honorable the Minister for Local Government—

1. Whether the consultative committee, to be comprised of representatives of Government instrumentalities and the three municipalities directly concerned has been appointed as promised by the Minister as reported at page 2610 of *Hansard* of 19th December last; if so, how many meetings have been held to date; if not, in view of the Minister's statement that such committee would be appointed to act in the planning as well as the construction stages when it is proposed to form the committee.
2. Whether it is proposed to enlist the services of any of the local Members of Parliament on the consultative committee.

*9. MR. STIRLING: To ask the Honorable the Minister of Water Supply—

1. What was the acreage of land in Northern Victoria in respect of which water rights existed in 1959.
2. What is the acreage of land in Northern Victoria in respect of which there are water rights at present.
3. What acreage of land in Northern Victoria which was not irrigated in 1959 has now been granted water rights.

*10. MR. LOVEGROVE: To ask the Honorable the Minister of Labour and Industry how many offences of Sunday baking were detected by Inspectors of Factories and Shops (Trading) in the period 1st July, 1965, to 31st December, 1965, how many prosecutions were launched in connexion with these offences, and what total fines were imposed by the Courts.

*11. MR. MOSS: To ask the Honorable the Minister of Labour and Industry whether, in view of his undertaking referred to on page 4761 of *Hansard* of 27th May, 1965, regarding workers' compensation to the effect that the definition of "disease" and its effect would be referred to Judge Stretton, this matter has been referred to the Judge for examination; if so—(a) when; (b) what were the terms of reference; and (c) what are the Judge's findings (if any).

*12. MR. HOLDING: To ask the Honorable the Minister of State Development, for the Honorable the Minister of Housing, whether the Government has any proposals for the future development of the Lake Tyers and Framlingham Aboriginal reserves; if so, what proposals.

*13. MR. HOLDING: To ask the Honorable the Minister of State Development, for the Honorable the Minister of Housing, whether, in view of the failure of the proposed housing project for aborigines in Morwell, the Government has any other alternative proposals for an aboriginal housing settlement; if so, what are the details.

*14. MR. HOLDING: To ask the Honorable the Minister of State Development, for the Honorable the Minister of Housing—

1. How many new houses were acquired by the Aborigines Welfare Board in each of the years 1964 and 1965, and how many families were housed in these units.
2. What is the estimated number of aboriginal families in Victoria in need of rehousing.

*15. MR. HOLDING: To ask the Honorable the Minister of State Development, for the Honorable the Minister of Housing whether the Aborigines Welfare Board is responsible for formulating or administering policy on aborigines, or both; if so, what is the responsibility of the Minister of Housing in the formulation and administration of policy.

No. 32.

TUESDAY, 15TH MARCH, 1966.

Questions.

1. MR. STONEHAM: To ask the Honorable the Premier—
 1. If he will ascertain and inform the House—(a) whether certain Members of the Ministry hold, or have held, while being Ministers of the Crown, directorships of public companies; if so, what Ministers and which companies; and (b) on what dates these Ministers accepted public company directorships and on what dates any of the directorships were relinquished.
 2. Whether, in view of the circumstances connected with the recent resignation of the Minister for Local Government from a company directorship, he will now implement firmly established principles recognized by leaders of democratic governments throughout the world, that, to avoid conflict of interests or the appearance of such, Ministers should not hold directorships of public companies.
2. MR. MUTTON: To ask the Honorable the Chief Secretary whether, in view of the disquieting statements publicly made in respect of Pentridge, the Government will appoint a committee or board of inquiry with power to obtain the opinion of expert overseas penologists and to consider the building of a modern gaol and the removal of Pentridge from the City of Coburg to a site away from such a crowded and expanding area; if not, why.
3. MR. FLOYD: To ask the Honorable the Chief Secretary—
 1. Whether any Totalizator Agency Board agencies have been established at tourist resorts; if so, where, and for what periods of the year these agencies operate.
 2. If no such agencies have been established, whether he will ascertain and inform the House if the Board has any plans in that direction; if not, whether consideration will be given to the proposal.
- *4. MR. TURNBULL: To ask the Honorable the Attorney-General—
 1. How many cases are awaiting trial in each list in—(a) the Supreme Court; and (b) the County Court—and what is the present lag in the hearing of such cases.

 2. What administration has been established to implement the Act.
 3. What action has been taken to implement sections of the Act dealing with Scientology.
 4. (a) How many psychologists have been registered; (b) what are their names; and (c) what is the nature of their employment in each case.
 5. Whether any exemptions have been granted; if so, to whom.
 6. Whether the Act has been found adequate for the purposes announced by the Government.

- *34. MR. GAINNEY: To ask the Honorable the Minister of Immigration, for the Honorable the Minister of Health—
1. When the Dietitians Advisory Internship Board was appointed.
 2. When and by whom the Internship Board was established and what are its defined powers.
 3. Whether the Internship Board, which apparently has no legal status, is permitted to usurp the functions of the Dietitians Registration Board in that it determines who shall or who shall not be permitted to practice dietetics.
 4. Whether a student who has successfully passed four years of the course is given a second chance in the final year; if not, why.
 5. Why the Consultant Dietitians Registration Board, while making provision for the training of Institutional Dietitians, has made no provision for the training of Consultant Dietitians, as provided for in the appropriate Act.
- *35. MR. LOVEGROVE: To ask the Honorable the Minister of Labour and Industry—
1. How many petrol resellers there were in the metropolitan area, and outside the metropolitan area, respectively, as at the 28th February, 1964, 1965 and 1966, respectively.

 1. How many persons were detected driving unregistered motor vehicles since 10th October last.
 2. How many unroadworthy vehicles were detected this year.
 3. What action (if any) was taken against—(a) the person who sold the vehicle to the driver; and (b) the driver of the vehicle, in the cases referred to above.
 4. MR. WILKES: To ask the Honorable the Chief Secretary—
 1. In respect of the traffic blitz conducted during the Labour Day week-end—(a) how many motorists were booked, indicating for which offences they were booked, and how many for each offence; (b) how many were issued with "on the spot" tickets and for which offences; (c) how many drivers were charged on evidence of—(i) the breathalyser; and (ii) the amphotometer; and (e) how many drivers were charged under the ".05" legislation.
 2. What is the significance of the statements attributed to Superintendent G. W. McCulloch and reported in *The Sun* newspaper of Tuesday, 15th March instant, to the effect that the police are getting a record number of bookings and the orderliness of driving is increasing proportionately.
 - *5. DR. JENKINS: To ask the Honorable the Attorney-General—
 1. Whether his attention has been drawn to the decision of the Second Circuit United States Court of Appeals in Charles Freeman's case regarding insanity as a defence in criminal cases.
 2. Whether he will give consideration to a review of the rules which apply to insanity as a defence in the criminal law, with a view to the statutory alteration of such rules to accord with present-day medical and legal opinions.
- * Notifications to which an asterisk (*) is prefixed appear for the first time.

- *6. MR. FENNESSY: To ask the Honorable the Minister of Education when it is expected that work will commence on the proposed extensions to the Brunswick Girls Secondary School.
- *7. MR. WILKES: To ask the Honorable the Minister of Education—
1. Whether tenders have been called for the construction of the Northcote Technical School.
 2. When it is estimated that construction will be commenced and when the building will be completed.
 3. What is the approximate cost of the building and how many pupils it will accommodate.
 4. What was the cost of land acquisition for the project.
 5. How many male and female pupils, respectively, are housed in temporary accommodation whilst the school is being built.
 6. Whether the temporary accommodation provides the necessary equipment for technical education.
8. MR. STONEHAM: To ask the Honorable the Minister for Fuel and Power—
1. Whether, in view of the requirements of section 23 of the *Gas and Fuel Corporation Act 1958* that the Corporation inquire into, report upon, and make recommendations concerning the safe, economical and effective supply of gas and fuel in Victoria, and in the light of the answer furnished to question No. 7 asked in this House on 2nd March instant, he will call for such a report and also obtain from the State Electricity Commission a report on the likely effects of the use of natural gas on the Commission's activities and future plans.
 2. What is the estimated capital cost which the Gas and Fuel Corporation would incur to undertake the piping and distribution of natural gas from the proposed on-shore treatment plant.
 3. What investigations (if any) the Government is undertaking for possible alternative use of the Gas and Fuel Corporation's plant at Morwell, and when a decision will be made on this question.
 4. What arrangements (if any) have been made for the employment of any staff displaced at the plant following the introduction of natural gas.
9. SIR HERBERT HYLAND: To ask the Honorable the Minister for Fuel and Power—
1. What is the cost of gas generated at Morwell and Melbourne, respectively.
 2. What is the estimated cost of natural gas at Melbourne.
 3. What was the cost of the gas generating plant at Morwell and what sum has been allowed for depreciation to date.
 4. What was the cost of the gas pipe-line from Morwell to Melbourne and what sum has been allowed for depreciation to date.
 5. Whether, before the discovery of natural gas off the Gippsland coast, it was the intention of the Gas and Fuel Corporation to duplicate the present pipe-line to Melbourne; if so, when, and at what approximate cost.
10. SIR HERBERT HYLAND: To ask the Honorable the Minister for Fuel and Power—
1. How many employees are engaged at the Gas and Fuel Corporation's Morwell plant.
 2. Whether purified natural gas is to be piped direct from Sale to Melbourne; if so, whether the Corporation's Morwell plant will then become redundant and be closed down and, in that event—(a) whether the Corporation will ensure that these employees are absorbed in other activities of the Corporation, or with the State Electricity Commission; and (b) what other class of industry could use the plant.
- *11. MR. STONEHAM: To ask the Honorable the Minister for Fuel and Power—
1. What maximum price per therm the Gas and Fuel Corporation could pay for natural gas from the proposed on-shore treatment plant in order to enable the Corporation to halve domestic consumers' gas bills as forecast by the Corporation's chairman.
 2. What is the likely cost from Esso-B.H.P.
 3. What are the comparative costs per therm for briquettes and gas, respectively, under present conditions in the domestic market.
- *12. SIR HERBERT HYLAND: To ask the Honorable the Minister for Fuel and Power, further to his answer to question No. 14 asked in this House on Wednesday, 16th March, whether the Gas and Fuel Corporation could enter into a contract with Broken Hill Proprietary Company Limited or Esso Exploration Australia Incorporated regarding natural gas, without first obtaining the approval of—(a) the Government; or (b) the Victorian Parliament.
- *13. MR. STONEHAM: To ask the Honorable the Minister of Transport—
1. Whether he has promised local district residents that the Government intends to resume a rail passenger service between Frankston and Mornington; if so—(a) what are the details of the proposed service and when it will be instituted; and (b) whether it is anticipated that the service will be self-supporting and, if not, what is the estimated annual loss;
 2. Whether it is intended to carry out the recommendations contained in the report of the 1959 Inter-departmental Committee and, in particular, by the provision of an adequate electrified service to meet all public needs and not an alternative make-shift arrangement which would only partly satisfy requirements, and at the same time cripple the bus service, thereby leaving the community worse off than at present.

- *14. **MR. COCHRANE**: To ask the Honorable the Minister of Transport whether the Railways Commissioners have plans for duplication of the railway line between Bunyip and Longwarry; if so, when it is expected work will commence; if not, whether it is intended to undertake this project.
15. **MR. EVANS (*Gippsland East*)**: To ask the Honorable the Minister of Lands whether, with reference to the meeting mentioned in his speech recorded on page 2726 of *Hansard* as being held in Buchan last November, he will inform the House—(a) the number of people attending the meeting; (b) what organization called the meeting; (c) the terms of any advertisement advertising the meeting and the number of times and the papers in which they appeared; (d) details of any other means used to inform interested persons that a decision regarding the future of the wombat bonus would be made at the meeting; and (e) whether any alternative means of attacking the wombat problem were suggested to the meeting; if so, what suggestions and what action (if any) has been taken to implement them.
- *16. **MR. WILKES**: To ask the Honorable the Minister of Immigration, for the Honorable the Minister of Health—

 2. What was the average duration of these meetings.
 3. What recommendations were made to the Clean Air Section of the Health Department and how many of these recommendations were implemented by the Department.
 4. Whether all complaints in relation to air pollution control are placed before the Clean Air Committee.
 5. What readings were obtained from deposit gauges set up in various areas to determine air pollution.
 6. How long these deposit gauges have been in operation and how frequently readings are taken.
 7. What action the Health Department expects in this field from municipalities and their health officers.
 8. What was the cost of the operation of the Clean Air Committee in each of the years 1960 to 1965, and since 1st January, 1966.
 9. How much has been spent on the activities of the Clean Air Section of the Health Department in each of the years 1960 to 1965.
 10. How much the Government proposes to spend in the field of clean air this financial year.
 11. What is the estimated cost of the operation of the Clean Air Committee this financial year.
 12. What laboratory facilities have been made available to staff administering the Clean Air Act and what equipment has been purchased.
 13. Whether any measurements have been made of carbon monoxide concentrations on any city arterial roads at peak periods; if so, what are the readings; if not, whether the Minister will arrange for readings to be taken and to make the information available.
- *17. **MR. McDONALD (*Rodney*)**: To ask the Honorable the Minister of Immigration, for the Honorable the Minister of Health, whether radiographer trainees at the Royal Melbourne Hospital were not paid their wages regularly during the year 1965; if so, how many trainees were involved, what were the reasons, and what action has been taken to rectify the situation.
- *18. **MR. LOVEGROVE**: To ask the Honorable the Minister of Labour and Industry—
1. On how many Sundays in the period 1st July, 1965, to 31st December, 1965, Inspectors of Factories and Shops (Trading) went out to detect breaches of Sunday baking.
 2. What were the dates of these Sundays.
 3. In respect of how many offences detected and arising from these Sunday inspections proceedings were instituted.
- *19. **MR. LOVEGROVE**: To ask the Honorable the Minister of Labour and Industry—
1. Whether it is usual for Inspectors of Factories and Shops (Trading) to go out alone and unaccompanied to detect Sunday baking offences.
 2. On how many occasions in the period 1st January, 1965, to 31st December, 1965, an Inspector of Factories and Shops (Trading), whilst alone and unaccompanied, booked persons, partnerships or companies for offences connected with Sunday baking.
20. **SIR HERBERT HYLAND**: To ask the Honorable the Minister of State Development, for the Honorable the Minister of Housing—
1. How many houses for—(a) sale; (b) letting purposes; (c) low rental; and (d) lone persons, have been erected by the Housing Commission in—(i) Morwell; (ii) Sale; and (iii) Traralgon, in each of the last three financial years, and the present financial year to date.
 2. How many of the houses so erected in Traralgon have been allotted to State Electricity Commission personnel.
 3. Whether the erection of houses in Churchill has curtailed the erection of houses in the cities of Sale and Traralgon.
 4. How many applications are in hand for houses of all kinds in Traralgon and Sale and what is the Housing Commission's future building programme for these two cities.

21. MR. WILKES: To ask the Honorable the Minister of State Development, for the Honorable the Minister of Housing—
1. When the last report of the Aborigines Welfare Board was presented to Parliament.
 2. When it is anticipated that the next report will be presented.
- *22. MR. EVANS (*Gippsland East*): To ask the Honorable the Minister of State Development, for the Honorable the Minister of Forests—
1. Whether the Forests Commission prescribed the limits at which successful applicants for logging units in the Errinundra district were to site their mills; if so, what limits were specified and what factors were taken into consideration when determining these limits.
 2. How many applications were received for each of the four logging units under these conditions and how many applicants sought a variation in the limits prescribed.
 3. What variations have been made in the conditions advertised by the Commission, at whose request these have been made, and on what date a decision was made.
 4. Whether the Forests Commission gave an assurance to the Shire of Orbost that conditions would not be varied; if so, when.

No. 43.

WEDNESDAY, 27TH APRIL, 1966.

Questions.

- *1. MR. EVANS (*Gippsland East*): To ask the Honorable the Acting-Premier whether the Government originated any inquiry into the 1965 Gippsland bushfires; if so—(a) by whom the inquiry was conducted; (b) to whom any report was furnished; and (c) if any report was made, whether the Government will make it available to Honorable Members.
- *2. MR. WILKES: To ask the Honorable the Chief Secretary—
1. How many Studebaker cars are owned by the Police Department.
 2. Now Studebaker cars are out of production, what is the position with respect to the police fleet of motor vehicles regarding replacement or change-over and replacement parts, respectively, particularly, whether it is the intention of the Department to replace these cars with a type of equal power and price.
 3. Whether cessation of production of Studebaker cars will affect the mobility of the Force in any way.
- *3. MR. MUTTON: To ask the Honorable the Minister of Education—
1. Whether matriculation year students are required by Melbourne and Monash Universities to apply for enrolment prior to the annual matriculation examinations; if so, how far in advance of the examinations must entries be lodged.
 2. Whether, because of uncertainty of successful applications to the university of first choice by reason of quotas, students make applications to enrol at both universities; if so, whether the acceptance of students by the universities is complicated by students following this practice.
 3. Whether the universities have considered the practicability of adopting a single enrolment application form covering both universities with space provided for the students to indicate their first choice; if not, whether he will suggest this to the universities.
 4. Whether it is practicable to defer acceptance of enrolment applications until after the results of the annual matriculation examinations are known; if not, why.
 5. Whether he approves the practice of the universities of not allocating marks in respect of English examinations at matriculation examinations; if so, how he justifies the practice.
- *4. MR. TAYLOR: To ask the Honorable the Minister of Education—
1. Whether a library and eight additional class-rooms are proposed for the Beverley Hills State School; if so, when tenders will be called and when it is expected that the work will be completed.
 2. Whether it is proposed to establish a primary school at Donvale; if so, when.
 3. Whether a library is proposed for the Greythorn High School; if so, when tenders will be called and when it is expected that work will be completed.

LEGISLATIVE ASSEMBLY.

Notices of Motion and Orders of the Day.

No. 45.

WEDNESDAY, 4TH MAY, 1966.

Questions.

- *1. SIR HERBERT HYLAND: To ask the Honorable the Acting-Premier whether, when natural gas becomes available to the State of Victoria, the Gas and Fuel Corporation will carry on as at present with the distribution of gas.
- *2. SIR HERBERT HYLAND: To ask the Honorable the Acting-Premier, as Dr. Hetherington has not completed his natural gas inquiry contract with the Victorian Government, when he is expected to submit a further report on this matter.
- *3. SIR HERBERT HYLAND: To ask the Honorable the Acting-Premier whether, in view of its small weekly payments to age pensioners, the Commonwealth Government assists Victoria financially towards the cost of erecting the large blocks of Housing Commission flats for these pensioners; if not, whether the Victorian Government will approach the other State Governments with a view to making a concerted approach to the Commonwealth Government for such financial assistance.
- *4. SIR HERBERT HYLAND: To ask the Honorable the Acting-Premier whether representations have been made to the Government by the liquor industry to have the 0.05 blood alcohol content law abolished or the content increased; if not, whether he is aware that the Victorian Temperance Alliance has asserted that the liquor industry is waging a strong campaign for such amendment to be made.
- *5. MR. STONEHAM: To ask the Honorable the Acting-Premier—
1. Who are the members of the Victoria Promotion Committee in—(a) Victoria; and (b) elsewhere.
 2. For what period of time such members have been elected to the committee.
 3. What officers are employed by the committee in Great Britain and Melbourne, respectively, and at what remunerations.
 4. What industries (if any) have been established—(a) in the metropolitan area; and (b) outside such area, during the last three years as the result of the activities of the committee.
 5. What is the source of funds available to the committee each year.
 6. If he will lay on the table of the Library the balance-sheets of the committee for the last three years.
- *6. MR. LOVEGROVE: To ask the Honorable the Chief Secretary—
1. In the new Legislative Assembly electorate of Deer Park, where are—(a) the police stations; and (b) the court houses.
 2. How many policemen there are at each police station.
 3. What other police stations and court houses, respectively, are at present being planned in the electorate.
 4. In the electorate, what is—(a) the total population; and (b) the population expected by 1970.
- *7. MR. LOVEGROVE: To ask the Honorable the Chief Secretary—
1. Where are the police stations which serve the new Legislative Assembly electorate of Sunshine.
 2. How many police of all ranks are stationed in each police station.
 3. How many motor vehicles are based at each station and what are the functions of these vehicles.

* Notifications to which an asterisk (*) is prefixed appear for the first time.

- *8. SIR HERBERT HYLAND: To ask the Honorable the Minister of Education—
1. What is the usual basis of subsidies towards the cost of canteens in Government schools.
 2. In each of the last three years, how many canteens have been included free of charge in—
(a) newly erected schools; and (b) schools where additional accommodation has been provided.
- *9. SIR HERBERT HYLAND: To ask the Honorable the Minister of Education, what schools have been provided with canteens during each of the last five years—(a) wholly from Government funds; and (b) on a subsidy basis.
- *10. MR. MUTTON: To ask the Honorable the Minister of Education whether Victorian universities have access to electronic data processing equipment; if so, whether use of the equipment in the handling of enrolment applications would enable matriculation students to apply for university admission after the results of the annual matriculation examinations are known; if not, whether he will suggest to the universities that they consider acquiring such equipment for this and other purposes.
- *11. MR. LOVEGROVE: To ask the Honorable the Minister of Education—
1. In the new Legislative Assembly electorate of Deer Park, what are the State primary schools, State secondary schools, and State technical schools, respectively, indicating in respect of each school, the number of—(a) pupils; and (b) teachers.
 2. What schools are at present under alteration or are the subject of plans for alteration, and what are the alterations in each school.
 3. What other schools are at present being planned in the electorate.
 4. In the electorate, what is—(a) the total State school population this year; and (b) the State school population expected by 1970.
 5. What schools outside the electorate serve pupils in the electorate.
 6. How many teachers have contracted hepatitis during the last two years at—(a) schools within the electorate; and (b) schools serving the electorate.
 7. What was the total number of days absence from duty by the teachers referred to in Part 6 above, due to hepatitis, during the last two years.
 8. What were the numbers of exit Primary Teachers' College students who completed their training in 1965 and were appointed to temporary duties in each of the following metropolitan primary divisional areas at the beginning of this year:—(a) Eastern Division; (b) Northern Division; (c) South-Eastern Division; (d) Southern Division; and (e) Western Division.
 9. What numbers of exit students referred to in Part 8 above are now employed on temporary duties in each of the above divisions.
- *12. MR. HOLDING: To ask the Honorable the Minister of Education—
1. Whether he is aware of the statement made by Senator Gorton at the Pharmacy College Hall on Monday, 18th April last, that half the Commonwealth special grant for technical education would not be spent before the end of the financial year.
 2. Whether he agrees with the statement; if so, whether he will comment on it and, in particular, give reasons for the failure to spend these amounts.
- *13. MR. FENNESSY: To ask the Honorable the Minister of Education—
1. What action (if any) is being taken to carry out repair work on State School No. 1213, Albert-street, Brunswick, such as—(a) replacement of flooring in the craft-room; (b) replacement of rusted and leaking spouting; and (c) the installation of external lighting in school surrounds.
 2. As the school attendance has increased to 904 and children are obliged to use outside temporary accommodation, when it is anticipated that additional class-rooms will be provided for normal requirements.
 3. Whether he is aware that at present the mens' staff-room is being used for classes.
 4. Whether, as it is fairly certain that the daily attendances will continue to be high, the Education Department has given any consideration to an over-all plan to enlarge the capacity of the school.
- *14. SIR HERBERT HYLAND: To ask the Honorable the Minister of Public Works whether the Public Works Department was approached by either Haematite Exploration Proprietary Limited or Esso Exploration Australia Incorporated regarding harbor or jetty works at Barry's Beach near Port Welshpool; if so, whether he will lay on the table of the Library the files relating to these proposed works.
- *15. MR. HOLDING: To ask the Honorable the Minister of Public Works what is the average period of delay between approval being given by the Education Department for the carrying out of repair and maintenance work (of a non-urgent kind) on school buildings and the commencement of such work.
- *16. MR. LOVEGROVE: To ask the Honorable the Minister of Lands, for the Honorable the Minister for Local Government—
1. How many unsewered premises are in the new Legislative Assembly electorate of Sunshine.
 2. Where, in the electorate, are these unsewered premises.
 3. When it is expected that sewerage will be connected to these premises.
 4. What public buildings are unsewered.

- *17. SIR HERBERT HYLAND: To ask the Honorable the Minister of Mines whether an over-all survey was made of Wilson's Promontory and the adjacent islands in order to ascertain what minerals (if any) are in this area; if so, when and with what result.
- *18. SIR HERBERT HYLAND: To ask the Honorable the Minister of Mines, referring to the answer supplied by the Honorable the Premier to question No. 3 asked in this House on 20th April last, that the Mines Department is in daily contact with representatives of either Haematite Exploration Proprietary Limited or Esso Exploration Australia Incorporated, if he will lay on the table of the Library all files relating to oil and gas operations off the Gippsland coast.
- *19. MR. LOVEGROVE: To ask the Honorable the Minister of Immigration, for the Honorable the Minister of Health—
1. In the new Legislative Assembly electorate of Deer Park, what are the hospitals, indicating in respect of each—(a) the total number of beds; (b) the number of public beds; and (c) the number of beds in maternity wards.
 2. What other hospitals are at present being planned in the electorate.
- *20. MR. LOVEGROVE: To ask the Honorable the Minister of Immigration, for the Honorable the Minister of Health—
1. In the new Legislative Assembly electorate of Sunshine, what are the hospitals, giving—(a) the total number of beds; (b) the number of public beds; (c) the number of beds in maternity wards; and (d) how many bed-days in each category were occupied in 1965.
 2. What other hospitals are planned in the electorate.
 3. What are the costs to the State per bed of—(a) public beds; and (b) private beds.
 4. What are the charges to patients in—(a) public beds; and (b) private beds.
- *21. MR. LOVEGROVE: To ask the Honorable the Minister of Labour and Industry—
1. Whether he has received a letter from a resident of Normanby-road, East Kew, complaining of the activity and noise emanating from a nearby illegal week-end bakery.
 2. Whether the letter contained allegations that the noise at week-ends is such that residents cannot get their sleep and that it is a nuisance for sick and elderly residents.
 3. Whether the bakery concerned is a notorious illegal week-end bakery which has been operating for some years.
 4. How many prosecutions for offences detected by Inspectors of Factories and Shops (Trading) have been launched in the last three years against the proprietor or occupier of this bakery.
 5. What action he is prepared to take to stop this bakery from working at week-ends and so enable nearby residents to have peace and quietness in the early hours.
- *22. MR. LOVEGROVE: To ask the Honorable the Minister of Labour and Industry—
1. How many investigations into illegal baking were made by inspectors last Sunday.
 2. What bakeries were visited by inspectors last Sunday.
 3. What bakeries were detected illegally baking on the last three Sundays.
 4. Whether an inspector has visited the bakery at the rear of 693 Sydney-road, Coburg, previously known as Chris Bakeries Pty. Ltd., and now known as Golden Top Bakeries Pty. Ltd.
- *23. MR. FENNESSY: To ask the Honorable the Minister of Labour and Industry—
1. How many ladies' hairdressing salons are registered in Victoria.
 2. How many apprentices are employed in such salons to the knowledge of the Apprenticeship Commission.
 3. What is the salary range for such apprentices.
 4. What checks (if any) are made by the Commission to see that terms and conditions of the award are being adhered to with regard to salary and hours worked.
 5. Whether he is aware of any exploitation of apprentices.
- *24. SIR HERBERT HYLAND: To ask the Honorable the Minister of State Development, for the Honorable the Minister of Housing—
1. Whether the Housing Commission proposes to provide, for elderly men, accommodation along the same lines as the multi-storied Commission flats recently erected at St. Kilda for elderly women.
 2. Whether there is any hope of both elderly women and elderly men, now listed for accommodation, being housed during their lifetimes.

LEGISLATIVE ASSEMBLY.

Notices of Motion and Orders of the Day.

No. 48.

WEDNESDAY, 11TH MAY, 1966.

Questions.

- *1. SIR HERBERT HYLAND: To ask the Honorable the Acting-Premier whether, in view of the statement by the Chief of the Victoria Police Traffic Branch, Superintendent G. McCulloch, as reported in *The Sun* newspaper on 10th May instant, that there was no doubt that seat belts could save the lives of many motorists, he will reconsider making seat belts compulsory equipment in all new motor vehicles.
- *2. SIR HERBERT HYLAND: To ask the Honorable the Acting-Premier—
1. What is the estimated cost of the new Melbourne Cultural Centre.
 2. How much the Government is granting towards this cost.
 3. How much the Government is guaranteeing with lending authorities.
 4. When it is expected the centre will be completed.
3. MR. WILKES: To ask the Honorable the Chief Secretary—
1. What maximum grants and/or subsidies are available to municipalities in respect of free library service with regard to metropolitan municipal libraries, country municipal libraries, children's libraries, regional library development, and rural library establishment, respectively, and when they were last increased.
 2. In each of the above categories—(a) what is the basis of the grant; (b) what are the conditions of the grant; and (c) when the last increase or variation in the basis or conditions was made.

1. Where the polling booths in the new Legislative Assembly electorate of Deer Park are situated.
 2. What was the electoral population of the electorate at 30th April last.
- *6. MR. FLOYD: To ask the Honorable the Chief Secretary—
1. Whether he has read the press reports and seen and heard television and radio reports of the serious interference caused to firemen and others trying to carry out their duties, by the congregation of large crowds of sight-seers at fires, despite urgent police appeals to disperse in the interests of their own safety and that of the fire fighters.
 2. Whether the Metropolitan Fire Brigades Board, the Victoria Police, or ambulance organizations have made any official reports or complaints about these crowds, such as congregated at the Smith-street, Fitzroy, fire last Friday night; if so, whether he will give consideration to any practical recommendations made in such reports.
 3. If no such reports are to hand, whether he will make the necessary investigations through the Metropolitan Fire Brigades Board, the Victoria Police, the State Electricity Commission, the ambulance organizations, and any other body officially concerned, to see that not only are crowds prevented from endangering the work of firemen and others and causing confusion among evacuees from burnt or endangered houses, but also to consider the practicability of setting up road-blocks to keep unwanted vehicles away from the scene of fires so as to ensure access to the area by those with business there.

* Notifications to which an asterisk (*) is prefixed appear for the first time.
