WEDNESDAY, 19TH JULY, 1922.

Questions.

1. **MR. RYAN** : To ask the Honorable the Premier if, in view of the many cases of litigation pending in connexion with the payment of bets by cheque, it is the intention of the Government to introduce legislation to repeal sections 111 and 112 of the *Instruments Act* 1915 as from the year 1901; or is it the intention of the Government to introduce some other form of legislation that will make the transactions good in law, and thus avoid protracted litigation.
2. **MR. WEBBER** . To ask the Honorable the Premier—
 1. If he is aware that the basic wage paid to Government employees in this State is only 11s. 9d. per day.
 2. If he is aware that highly-skilled State public servants are receiving the same rate of wages as is paid for the lowest class of labour in the Railway Department, viz., 13s. 6d. per day.
 3. If he will inform the House upon what basis the Government or the Public Service Commissioner fixed the rate of 11s. 9d. per day as the basic wage for public servants.
3. **MR. SMITH** : To ask the Honorable the Minister of Water Supply—
 1. If any survey has been made of a race to supply Ravenswood and Lockwood districts asked for by Elliott and others.
 2. If so, is it proposed to construct such race; if not, why.
4. **MR. FARTHING** : To ask the Honorable the Premier what is the total number of immigrants—(a) who landed in Victoria during the present year; (b) who have settled on the land; and (c) who have returned to their own countries.
5. **MR. HOGAN** : To ask the Honorable the Minister of Railways—
 1. If the Railways Commissioners invited public tenders for the supply of station-masters', porters', and guards' uniforms.
 2. When the tenders closed.
 3. If the Railways Commissioners have authority to accept or reject the tenders.
 4. If a tender has been accepted for this work; if not, why.
6. **MR. HOGAN** : To ask the Honorable the Minister of Railways—
 1. When the rent for railway departmental houses was increased.
 2. What was the monthly rental obtained by the Railways Commissioners as rent for departmental houses prior to the increase in the said rents.

WEDNESDAY, 26TH JULY, 1922.

Questions.

1. **MR. WEBBER :** To ask the Honorable the Minister of Railways what steps, if any, are being taken to make up the electric trains in a uniform manner, so that passengers will know where to wait for the different classes of carriages.
2. **MR. ROGERS :** To ask the Honorable the Chief Secretary if he will lay on the table of the Library all the papers relating to the shooting of the fifteen-year-old boy Maple by civilians at Neerim, and if he will inform the House by what authority service rifles and ammunition were issued to these civilians.
3. **MR. BAILEY :** To ask the Honorable the Minister of Labour if he will lay on the table of the Library a copy of all circulars, posters, pamphlets, &c., issued by the Immigration Bureau during the past six months.
4. **MR. DUNSTAN :** To ask the Honorable the Commissioner of Crown Lands and Survey—
 1. What are the names of the millers and merchants who sold the flour to South African merchants which involved the Wheat Commission in a payment of £26,250 as compensation owing to the inferior quality of the goods delivered.
 2. If any of those millers and merchants have admitted responsibility and offered to pay compensation.
5. **MR. TUNNECLIFFE :** To ask the Honorable the Treasurer—
 1. If it is a fact that he stated that if pensions to public servants were restored fresh taxation would have to be imposed to meet the expense.
 2. If it is a fact the Public Service Union has invited the Government Statist to confer with them with a view of submitting for the consideration of the Government a contributory scheme of superannuation which would not necessitate increased taxation.
 3. If the Government will allow the Government Statist to confer with the Union with a view of informing himself in regard to the possibilities of providing such a scheme.
6. **MR. GREENWOOD :** To ask the Honorable the Minister of Railways—
 1. How many officers and employees of the Railway Department have been retained in the service since January, 1922, after reaching the age of 60 years, although entitled to pensions or retiring allowances.
 2. How many who were recommended by the head of their branch to be retained have been retired.
 3. Why a distinction has been made between such officers or employees.

TUESDAY, 15TH AUGUST, 1922.

Questions.

1. MR. COTTER. To ask the Honorable the Treasurer—
 1. If it is a fact that tenders were invited for the supply of uniforms for penal warders for the year commencing 1st July, 1922.
 2. If so, how many tenders were received, from whom, and who was the lowest tenderer.
 3. If it is a fact that the Tender Board made inquiries and found that the material proposed to be supplied by the lowest tenderer was worth at least 2s. per yard more than that of the other tenderers.
 4. Which tender was recommended by the Tender Board.
 5. If, in view of the fact that six weeks have now expired and uniforms are urgently required, he will inform the House of the reason for the delay in accepting a tender.
2. MR. SMITH: To ask the Honorable the Chief Secretary—
 1. If it is a fact that no report of the Licences Reduction Board has been published since 1920; if so, why.
 2. If, in view of the fact that the information contained in these reports is much sought after, he will direct that a report covering the past two years be now issued.
3. MR. HOGAN: To ask the Honorable the Minister of Railways—
 1. What is the cost to the Railway Department of the 4-lb. loaf of bread made at its bakery.
 2. What price per loaf the Department is paying to members of the Master Bakers' Association.
 3. Whether, in view of the fact that the price charged by the members of the Master Bakers' Association for bread supplied to the general public is 10½d. per 4-lb. loaf, the Government intends taking any steps to have the price to the public reduced.

PARLIAMENTARY PAPERS ISSUED 13TH OCTOBER, 1922.

- Notices of Motion and Orders of the Day. No. 43.
- Aldermen Abolition Bill—[116].

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author details the various methods used to collect and analyze the data. This includes both manual and automated processes. The goal is to ensure that the information is both reliable and up-to-date.

The third part of the report focuses on the results of the analysis. It shows a clear upward trend in the data over the period covered. This indicates that the current strategies are effective and should be continued.

Finally, the document concludes with a series of recommendations for future actions. These include further investment in technology to improve data collection and more frequent reviews of the data to catch any potential issues early on.

The data was collected from various sources and is subject to change. It is important to stay vigilant and adapt to any new information that arises.

FRIDAY, 3RD NOVEMBER, 1922.

Questions.

1. MR. HOGAN : To ask the Honorable the Minister of Railways—
 1. Whether trucks containing chaff, potatoes, and onions are discharged at Spencer-street by the merchants or by employees of the Railways Commissioners.
 2. If these trucks are unloaded by railway employees, what charge per ton is made for unloading.
 3. What time is allowed at Spencer-street goods platform for taking delivery of chaff, potatoes, and onions from the platforms after being unloaded from the trucks.
 4. If the Commissioners have engaged a cartage contractor to cart to stores chaff, potatoes, and onions not taken delivery of from the platform in the prescribed time.
 5. If so, what charge per ton is made by the cartage contractor for this work.
 6. If the Commissioners impose a storage charge for chaff, potatoes, and onions lying on the platform at Spencer-street; if so, what is the charge per ton per day.
 7. What was the total amount of storage on chaff, potatoes, and onions collected from merchants by the Railway Department at Spencer-street railway sheds for the months of July, August, and September, 1922.
 8. On how many tons was storage paid for more than one day on chaff, potatoes, and onions at Spencer-street sheds for the above period.
2. MR. BAILEY : To ask the Honorable the Minister of Railways which of the railway lines recommended by the Railways Standing Committee for construction within Victoria have not yet been authorized by Parliament.
3. MR. FROST . To ask the Honorable the Commissioner of Crown Lands and Survey—
 1. If it is his intention to immediately take steps to—(a) improve the ventilation in the various rooms occupied by the Occupation Branch of the Lands Department; and (b) secure additional accommodation to relieve the existing overcrowding.
 2. If he will have additional officers appointed, in order that the arrears of work may be overtaken and the work of the Department brought up to date.
- *4. MR. TUNNECLIFFE : To ask the Honorable the Premier—
 1. What State appointments are held by the Honorable George Swinburne, stating each separately.
 2. What salary attaches to each.
- *5. MR. SNOWBALL . To ask the Honorable J. W. Pennington, Honorary Minister, for the Honorable the Commissioner for Public Works, if, in view of the known imminent danger to reinforced concrete buildings owing to the destructive effects of electrolysis, the Government will have the subject considered and reported on by the Institutes of Engineers and Architects, with a view to the enactment of legislation here similar to that in force in other countries to provide against this danger.

Questions.

1. **MR. WEBBER** : To ask the Honorable the Minister of Public Instruction if it is the intention of the Department of Public Instruction to pay the out-of-pocket expenses of teachers in connexion with the State Schools Jubilee Exhibition from the profits of such exhibition
2. **MR. ROGERS** : To ask the Honorable the Premier—
 1. Whether the Melbourne Harbor Trust Commissioners are calling for applications from persons holding a foreign-going master's certificate to fill the position of inspector of dredging.
 2. If so, will the qualification now required exclude certain masters in the Commissioners' service who hold river and bay certificates and have previously acted as inspectors from applying for the position.
 3. Why it is necessary for applicants to hold a foreign-going master's certificate when the Trust's operations are restricted to Port Phillip Bay.
 4. If he will ask the Commissioners to reconsider their decision for the purpose of giving masters in their service holding river and bay certificates, and with years of experience and a thorough knowledge of the work, an opportunity of applying for the position.
3. **MR. MCGREGOR** : To ask the Honorable the Minister of Mines what is the water content of the coal now being mined at the new cut at Morwell for the Electricity Commissioners.
4. **MR. BAILLY** : To ask the Honorable the Premier—
 1. If the Government has purchased the Knebsworth Estate at Macarthur for soldier settlement.
 2. If it is a fact that the Macarthur district, including the Eumerella Estate settlement (settled under the Closer Settlement Act), is languishing owing to its distance from the nearest railway.
 3. What are the intentions of the Government regarding the construction of a railway from Port Fairy to Macarthur recommended by the Railways Standing Committee over seven years ago.
5. **MR. CAIN** : To ask the Honorable the Minister of Public Instruction how many junior teachers are stationed in positions which preclude them from living in their own homes.
6. **MR. HOGAN** : To ask the Honorable the Commissioner of Crown Lands and Survey—
 1. If the Closer Settlement Board has purchased the Langwornor and Tintaldra Estates for settlement by discharged soldiers.
 2. If so, what is the area of each estate, and what price per acre was originally asked by the vendors.
 3. Whether these estates were submitted to referees for report and valuation ; if so, what was their valuation of each estate.
 4. What price per acre was paid for each estate by the Closer Settlement Board
 5. What was the State Land Tax Department's valuation of these estates.
 6. Who were the vendors of these estates and, if a company, who comprise the company.

NOTICES OF MOTION:—

1. MR. TUNNECLIFFE: To move, That there be laid before this House a return showing the classification of the work of the officers of the Public Service (exclusive of the Lunacy Branch), the divisions and classes, and the determination of the number of officers in each division and class necessary for the efficient working of each department on the 31st October, 1922, in a form similar to that published in *Government Gazette* No. 13, dated Friday, 30th January, 1920.
2. MR. TUNNECLIFFE: To move, That there be laid before this House a return showing the seniority list of each class of the Clerical Division of the Public Service, Class 1 to Class 5 inclusive, and the date of appointment of each officer to his present class.
3. MR. WEBBER: To move, That, in the opinion of this House, the office of the State Governor of Victoria should be abolished.
4. MR. PRENDERGAST: To move, That, as there are considerable fluctuations in the number of employees in industry in Victoria, and as a consequence large numbers of people, through no fault of their own, are periodically in want of employment; and that, viewing the consequent distress of men, women, and children, this House is of opinion that steps should be taken to make provision to relieve such conditions by the establishment of out-of-work or unemployment insurance.
5. MR. SNOWBALL: To move, That, in the opinion of this House, it is desirable that Scripture lessons selected by the Education Department from the lessons approved of by all denominations in Queensland, and in use there, should be read by all children in State schools, whose parents do not object, during school hours, without comment by teachers and as part of the school course.
6. MR. RYAN: To move, That a Select Committee be appointed to inquire into and report upon the operations of the Victorian Wheatgrowers Corporation and all transactions entered into or carried out by the corporation on the last year's crop; and in particular to inquire into and report upon the prices charged by the corporation for wheat for local consumption, and whether such charges are fair and reasonable, and whether any discrimination has been made in the charges to individual customers and the prices realized in sales for export and the expenses incurred by the corporation in relation to such crop.

NOTICES OF MOTION:—

1. **MR. TUNNECLIFFE:** To move, That there be laid before this House a return showing the classification of the work of the officers of the Public Service (exclusive of the Lunacy Branch), the divisions and classes, and the determination of the number of officers in each division and class necessary for the efficient working of each department on the 31st October, 1922, in a form similar to that published in *Government Gazette* No. 13, dated Friday, 30th January, 1920.
2. **MR. TUNNECLIFFE:** To move, That there be laid before this House a return showing the seniority list of each class of the Clerical Division of the Public Service, Class 1 to Class 5 inclusive, and the date of appointment of each officer to his present class.
3. **MR. WEBBER:** To move, That, in the opinion of this House, the office of the State Governor of Victoria should be abolished.
4. **MR. PRENDERGAST:** To move, That, as there are considerable fluctuations in the number of employees in industry in Victoria, and as a consequence large numbers of people, through no fault of their own, are periodically in want of employment; and that, viewing the consequent distress of men, women, and children, this House is of opinion that steps should be taken to make provision to relieve such conditions by the establishment of out-of-work or unemployment insurance.
5. **MR. SNOWBALL:** To move, That, in the opinion of this House, it is desirable that Scripture lessons selected by the Education Department from the lessons approved of by all denominations in Queensland, and in use there, should be read by all children in State schools, whose parents do not object: during school hours, without comment by teachers and as part of the school course.
6. **MR. RYAN:** To move, That a Select Committee be appointed to inquire into and report upon the operations of the Victorian Wheatgrowers Corporation and all transactions entered into or carried out by the corporation on the last year's crop; and in particular to inquire into and report upon the prices charged by the corporation for wheat for local consumption, and whether such charges are fair and reasonable, and whether any discrimination has been made in the charges to individual customers and the prices realized in sales for export and the expenses incurred by the corporation in relation to such crop.
