  1. If he is aware that the escapes in the Plaza Picture Theatre in Melbourne are insufficient to provide for the safety of the public in case of fire.

3. MR. LEMMON: To ask the Honorable the Premier—
  1. If his attention has been drawn to the report in the *Age* newspaper of the 21st June last in which it is stated that the Minister of State for Munitions said, in reply to the Honorable E. J. Holloway, M.H.R., upon the question of providing dry-docking facilities in the port of Melbourne, that "no request had been received from the Victorian Government for assistance."
  2. If, in view of the fact that the present State Government has stated that it is willing to co-operate with the Commonwealth Government to provide such facilities and that the port authority of Melbourne also has intimated that it is ready to share part of the cost of such, the Premier will take up this important national question with the Commonwealth Government with a view to having a modern dry dock constructed at an early date.

1. As the total amount at the credit of the Public Trustee Fund on account of trust funds lodged by the Public Trustee with the Treasurer as at 30th June, 1940, was £118,591, and at 30th June, 1941, £128,456, what was the average daily or monthly credit balance of this Fund during the year ended 30th June, 1941.
2. As cheques are not liable for stamp duty and the estates are not chargeable with exchange on cheques payable within the State on transactions of the Fund referred to in the previous question, what amount these savings would equal had they been paid by the Public Trustee during the year ended 30th June, 1941.
3. As it is apparent that in the aggregate a large amount of trust funds lodged by the Public Trustee with the Treasurer is not earning interest for estates administered by the Public Trustee, will he consider the introduction of legislation on the lines of the New Zealand Act, to provide a common account whereby the uninvested funds of each of such estates may be pooled and invested in Federal Government or other securities, so that they may receive the benefit of the income therefrom.

### Questions.

2. **MR. DODGSHUN**: To ask the Honorable the Chief Secretary—

  2. Whether the Board can demand that the control of such a municipal weighbridge be handed over to its nominee.
3. **MR.
