REGISTRATION

LEGISLATIVE ASSEMBLY.

NOTICE PAPER.

No. 56.

TUESDAY, 22ND MARCH, 1977.

Notice of Motion.

*MR. EVANS (*Gippsland East*) : To move, That the Minister for Fuel and Power, the Minister of Agriculture and the Minister of Lands no longer possess the confidence of the House because of their failure to act upon—(a) the legal and moral implications of the scheme to impose an average augmentation charge by the State Electricity Commission on certain dairy farmers installing refrigerated bulk milk vats ; (b) the continuing pressure on farmers to pay this charge in the face of the legality being questioned ; and (c) the threat to cut off power supplies to those who refused to pay.

LEGISLATIVE ASSEMBLY.

NOTICE PAPER.

No. 58.

THURSDAY, 24TH MARCH, 1977.

GENERAL BUSINESS.

Notices of Motion.

1. MR. EDMUNDS : To move, That, in the opinion of this House, no alteration should be made to the Melbourne and Metropolitan Board of Works Planning Scheme with regard to office development until the strategic implications have been examined at a public hearing and the results reported to this House.
2. MR. CRABB : To move, That, in view of inconsistencies between the Report of the Board of Inquiry into the sale of a property at 110 Exhibition-street, Melbourne, and the explanation given to the House by the Honorable the Minister of Public Works on the 7th October, 1976, concerning the fixing of the reserve price for the subject property, as reported at page 3013 of *Hansard*, this House considers there are reasonable grounds to believe that the Minister misled the House, and resolves that the aforementioned statement of the Minister be referred to the Committee of Privileges for inquiry and report as a complaint of breach of privilege.
3. MR. JONES : To move, That he have leave to bring in a Bill intitled " *A Bill to amend the ' Transport Regulation Act 1958 ' to validate the Practice of Car Pooling.*"

SIMMONDS : To ask the Honorable the Minister of Labour and Industry with regard to the provisions of section 181 of the *Labour and Industry Act 1958*, how many reports, inspections, prosecutions and convictions, respectively, have been made for failure to report accidents during each of the past ten years.
1977. MR. JONES : To ask the Honorable the Minister of Transport whether, contrary to the answer given on 9th December, 1976 to question No. 1453, the actual area covered by the new shelter erected on the Williamstown side of South Kensington railway station is only 60 square feet ; if so—(a) whether the reduction to one tenth of the previous cover was the result of an error and, if not, why the answer specified a cover of 600 feet ; and (b) whether consideration will be given to providing an adequate shelter for railway passengers at the station.

1978. MR. AMOS : To ask the Honorable the Minister for Fuel and Power—

1. Whether he is aware that the Government's consultants, Kinnaird Hill de Rohan and Young Pty. Ltd. of the Battelle Memorial Institute, who were engaged for the preparation of the Green Paper on Energy, issued an explanatory paper under their name which gave an introduction and objectives of the study.
2. Whether he is aware that this paper was made available to those parties who indicated that they wished to present a submission to the Ministry of Fuel and Power for consideration by the above-mentioned consultants in relation to the then second part of a White Paper.
3. Why the objectives of study were changed, indicating—(a) why the scope of the study as defined in the consultants paper as parts 11a Development Alternatives, 11b Policy Considerations, and 11c Policy Options was not the same as that reported on by the Minister as Part 2 of the study on page 3 of the Green Paper.
4. Why the status of the White Paper was changed to that of a Green Paper.
5. What was the total cost of the study, indicating the total amount paid to the consultants.
6. What was the original time table for completion of Part 2 of the study and why it was not adhered to.
7. Whether, in view of the fact that interested parties who presented submissions to the study did so on the understanding that they were contributing to a White Paper, which in its preparation had a scope of study broader than that reported on by the Minister on page 3 of the Green Paper, those parties were subsequently advised that the status of the study was to be changed from a White Paper to a Green Paper; if not, why.
8. Whether the Ministry failed to advise, consult or seek verbal support for the submissions made by those interested parties; if so, why.

*1979. MR. HANN : To ask the Honorable the Minister for Youth, Sport and Recreation—

1. Which trotting clubs are recorded with the Trotting Control Board.
2. How many owners, trainers, and trotting horses, respectively, are registered with the Board, indicating how many horses are stabled and trained—(a) in Gippsland and areas south and east of Melbourne; (b) in western Victoria and all areas west of Melbourne; and (c) north, north-east and north-west of Melbourne.
3. Whether he is aware of opposition from trotting clubs located north of Melbourne to the proposal to develop a trotting complex at Keysborough.

*1980. MR. FOGARTY : To ask the Honorable the Minister for Planning whether any areas of land within the West Sunshine-Brooklyn sections of the municipality of Sunshine have been rezoned "residential" since August, 1976; if so—(a) what areas, indicating the size of the allotments and the name or names of the owners of such land; (b) whether the land in question was subject to previous decision of the Sunshine City Council and, in that event, what were the reasons for previous objections raised by Council; and (c) whether the land in question is situated in close proximity to land zoned "special purposes" and a noxious trade area.

*1981. MR. CRABB : To ask the Honorable the Minister of Education—

1. Whether he is aware that lecturers conducting courses for the Council of Adult Education formed an Adult Education Tutors' Association in 1970 and that amongst its objectives it seeks to further the development and expansion of adult education services in Victoria.
2. Whether he has so far failed to accede to requests frequently made by the Association since its formation to have a representative of the Association appointed to membership of the Council of Adult Education; if so, why, and whether he does not recognize that the claim of these tutors to be so represented on the Council is at least as good as the claim of represented organizations such as the Country Women's Association, the Chamber of Manufacturers, the Victorian Drama League and the Department of Health.
3. Whether the Council at its meeting on 25th May, 1973 passed a resolution to the effect that in any future review of the Act, provision should be made for representation of tutors.
4. Whether he will introduce amending legislation to provide for a nominee of the Association to become a member of the Council and thus demonstrate his support for the valuable service rendered to the community by the 700 experts who make their skills so freely available in the cause of adult education.

*1982. MR. COLEMAN : To ask the Honorable the Minister of Transport in relation to the opening of the section of the Mulgrave-freeway from Blackburn-road to Foster-road—

1. What arrangements have been made to speed up westerly traffic in Waverley-road through the Stephenson's-road intersection.
2. What arrangements have been made to prevent a large build up of traffic from the freeway entering Catherine-avenue, East Oakleigh.
3. Whether the intersection of Stephenson's-road, Hardner-road and Catherine-avenue will be provided with traffic signals in the immediate future.
4. Whether the slip lane from Stephenson's-road to Waverley-road will be widened to cater for south-bound traffic from Stephenson's-road bound for the freeway.

QUESTIONS

942. **MR. AMOS** : To ask the Honorable the Minister for Minerals and Energy further to the Premier's direction to the Gas and Fuel Corporation and the State Electricity Commission to cease advertising campaigns that encouraged "wasteful use" of Victoria's fuel and power resources and the reply to a question without notice asked on 10th April, 1975—
1. On how many occasions in each of the past three years the chairmen of the respective Authorities have met to discuss a rational advertising policy, indicating whether any formal structure has been established or existing structure used to allow for policy to be formed, implemented and monitored ; if so, what structure ; if not, why.
 2. Whether officers of the two respective Authorities have met in each of the past three years to discuss advertising policy ; if so, on what dates.
 3. What are the details of the present policy on energy advertising.
1827. **MR. CATHIE** : To ask the Honorable the Minister for Planning, in each of the past five years and in this year to date, how much land has been purchased by the Government in environmentally significant areas, stating for each area, the number of purchases, the area and the cost.
1899. **MR. FORDHAM** : To ask the Honorable the Minister of Education with regard to the *States Grants (Technical and Further Education) Act 1976* of the Commonwealth—
1. Whether the allocation to Victoria has proved to be an adequate assessment of the needs of Technical and Further Education (T.A.F.E.) in Victoria for the period concerned;
 2. Whether the Technical Schools Division has an ongoing assessment of the needs of T.A.F.E. in relation to the categories set out in the Act.
 3. What amount was received by Victoria from the Commonwealth Government in—(a) capital ; and (b) recurrent grants for T.A.F.E. in 1975–76.
 4. What amount the Victorian Government spent on T.A.F.E. in 1975–76, and how much is expected to be spent in 1976–77 from—(a) Commonwealth recurrent grants for T.A.F.E. ; (b) Commonwealth capital grants for T.A.F.E., indicating for what capital projects they were used ; (c) Consolidated Revenue funds (including (a) and (b) above) ; and (d) loan funds.
 5. Whether the Victorian Government received and spent all grants to which it was entitled under the Act in 1975–76 ; if not, in which categories grants were not received or spent.
 6. What amount Victoria is entitled to receive for 1976–77 and how much has been received to date as—(a) recurrent ; and (b) capital grants for T.A.F.E., indicating how much has been spent to date.
 7. Whether the Victorian Government expects it will spend all grants for T.A.F.E. to which it is entitled during 1976–77 ; if not, in which categories grants will not be spent.
 8. Whether the State Government will increase expenditure from its own resources to bridge the gap between Commonwealth Government assistance and assessed needs for T.A.F.E.
1978. **MR. AMOS** : To ask the Honorable the Minister for Minerals and Energy—
1. Whether he is aware that the Government's consultants, Kinnaird Hill de Rohan and Young Pty. Ltd. of the Battelle Memorial Institute, who were engaged for the preparation of the Green Paper on Energy, issued an explanatory paper under their name which gave an introduction and objectives of the study.
 2. Whether he is aware that this paper was made available to those parties who indicated that they wished to present a submission to the Ministry of Fuel and Power for consideration by the above-mentioned consultants in relation to the then second part of a White Paper.
 3. Why the objectives of study were changed, indicating—(a) why the scope of the study as defined in the consultants paper as parts 11a Development Alternatives, 11b Policy Considerations, and 11c Policy Options was not the same as that reported on by the Minister as Part 2 of the study on page 3 of the Green Paper.
 4. Why the status of the White Paper was changed to that of a Green Paper.
 5. What was the total cost of the study, indicating the total amount paid to the consultants.
 6. What was the original time table for completion of Part 2 of the study and why it was not adhered to.
 7. Whether, in view of the fact that interested parties who presented submissions to the study did so on the understanding that they were contributing to a White Paper, which in its preparation had a scope of study broader than that reported on by the Minister on page 3 of the Green Paper, those parties were subsequently advised that the status of the study was to be changed from a White Paper to a Green Paper ; if not, why.
 8. Whether the Ministry failed to advise, consult or seek verbal support for the submissions made by those interested parties ; if so, why.

- *2448. MR. CATHIE :** To ask the Honorable the Minister of Transport—
1. Which Victorian Railways locomotives, indicating their class, were out of action at 30th June, 1977, and how many of these were out of action :—(a) one month earlier ; and (b) two months earlier.
 2. When diesel rail cars were first purchased by the Railways Department and for how many weeks during the ensuing years to date, all four have been available for service.
 3. When air-conditioned carriages were last built for the Department.
- *2449. MR. CATHIE :** To ask the Honorable the Minister of Transport, further to the answer to question No. 2240 answered on 6th September, 1977—
1. Whether the cost of taxis run in addition to the bus was included ; if not, what is the cost of—(a) bus charter ; and (b) taxi charter.
 2. Whether the random sample of tickets sold included—(a) tickets sold on the train ; and (b) periodical school tickets ; if not, what is the corrected figure after allowing for such tickets.
- *2450. MR. EDMUNDS :** To ask the Honorable the Minister of Special Education, for the Honorable the Chief Secretary—
1. What funds have been provided for the development of a Police Air Wing.
 2. At what stage is the development of a Police Air Wing and when it is expected that aircraft will be purchased.
 3. What recommendations have been made on the development of an Air Wing by the Committee appointed for this purpose.
 4. Who are the members of this Committee and when and where they have met during 1977.
 5. What are the details of the total cost in each year to date since the Police Air Wing was formed.
- *2451. MR. CATHIE :** To ask the Honorable the Minister for Conservation—
1. What estimated amount of volatile liquid wastes is being stored on factory sites in Victoria.
 2. How many—(a) commercially controlled sites ; and (b) other sites, are available for the disposal of inflammable wastes, and what percentage of the estimated volatile liquid wastes is processed at these plants.
 3. Whether the Environment Protection Authority has taken any action against illegal dumping of volatile liquid wastes ; if so, what firms have been proceeded against ; if not, why.
 4. Whether the Authority has suggested that manufacturing industries should store volatile liquid wastes on their site ; if so, what action is taken in relation to—(a) fire prevention on such sites ; and (b) eventual reception of these wastes.
 5. Who are the members of the inter-departmental committee investigating disposal of liquid wastes, and what are their qualifications.
 6. What recommendations have been made by the inter-departmental committee, indicating whether these recommendations include provision for local councils to be requested to open their tip sites to these wastes and, if so, what councils have co-operated, giving details of any special measures adopted to control these wastes once they are deposited in a municipal tip.
- *2452. MR. KIRKWOOD :** To ask the Honorable the Minister for Minerals and Energy—
1. What amount of municipal rates was last paid by the Gas and Fuel Corporation in respect of gas mains in the City of Preston and for what period the payment was made.
 2. What amount was paid by the Corporation in rates in respect of gas mains in Victoria for the same period.
- *2453. MR. AMOS :** To ask the Honorable the Minister for Minerals and Energy whether the Department of Minerals and Energy will consider changing the definition of the levels of energy reserves from those that are now graded as recoverable, geological or inferred to that of grading individual deposits in terms of size, quality and accessibility, as is the current practice with uranium ores and most other minerals ; if not, why.

- *2554. MR. AMOS : To ask the Honorable the Minister for Minerals and Energy—What investigations have been made into—(a) the State's coal, oil and gas reserves respectively, to determine the relative cost of mining various deposits; (b) how many power stations, oil from coal plants, Lurgi plants, industrial combines and refineries respectively, could be supported by these deposits; (c) the likely practical limits of recovery with current technology; (d) the ultimate limits of recovery at which a net positive production of energy would no longer be possible (at whatever the costs); (e) the availability of water for the power stations, &c. mentioned above and the likely environmental effects in the general area of the deposit if developed for such purposes.
- *2455. MR. AMOS : To ask the Honorable the Minister for Minerals and Energy, in the costing of new projects and alternative proposals that are submitted to Parliament from time to time—
1. Whether the State's public utilities omit various items of infrastructure expenditure such as—(a) water supply; and (b) interest on capital during construction.
 2. Whether such omissions are also made in estimating production costs per unit of energy.
 3. Whether consideration will be given to requiring the State's energy utilities to include the above items in their estimates for all future projects, as is normal commercial practice, and that the discounted cash flow or present worth accounting methods combined with an appropriate discount factor is used in the estimation of all energy production costs.
- *2456. MR. AMOS : To ask the Honorable the Minister for Minerals and Energy, in view of the high cost of providing energy for peak periods and the more general need to conserve energy—
1. Why gas and electricity tariffs are not more closely related to the real cost of supply.
 2. Why the Gas and Fuel Corporation and the State Electricity Commission still persist in giving greatly reduced tariffs to large consumers regardless of whether that energy is consumed during peak periods and despite the fact that most of the fixed costs are common to all consumers.
- *2457. MR. FORDHAM : To ask the Honorable the Minister of Education with regard to his earlier assurance to staff primary schools on a 1 : 30 class-room teacher/pupil ratio by 1979, provided teachers are available.—
1. Whether this undertaking is still to be implemented.
 2. Whether, as a step in such implementation, he will give an undertaking that primary schools will be staffed on a 1 : 31 class-room teacher/pupil ratio or better for 1978.
- *2458. MR. JONES : To ask the Honorable the Minister of Transport, further to the Ministerial Statement on the Hume Freeway, Wallan to Broadford, made to the House on 7th September, 1977, whether he will provide, prior to the further consideration of the statement by the House—(a) specific details of how the cost plus 15 per cent profit formula for Galli Brothers' Constructions Pty. Ltd. was determined; (b) copies of the formal deeds of variation of the three Hume Freeway contracts of 30th October, 1974; (c) details of the dispute between the Board and the major contractor over the freeway contracts; and (d) the name of the engineer or engineers who were responsible for supervising the relevant sections of the freeway.
- *2459. MR. WILKES : To ask the Honorable the Minister of Special Education, for the Honorable the Chief Secretary, whether the equipment at the Northcote Fire Station has been reduced from a mobile fire tanker and a hose-carriage to a hose-carriage alone, and whether the staff has been reduced from five to three; if so, what are the reasons for the reduction and when replacements will be provided.
- *2460. MR. WILKES : To ask the Honorable the Minister of Public Works, which garages handle Government motor repair work on a regular basis, indicating in each case—(a) the percentage of all Government motor repair work; and (b) the cost per hour.
- *2461. MR. AMOS : To ask the Honorable the Minister for Minerals and Energy, in view of the likelihood of non-Government mining of brown coal, what "notional" or "opportunity" cost has been considered.
