No. 2.

WEDNESDAY, 7TH JULY, 1920.

Questions.

1. MR. PRENDERGAST : To ask the Honorable the Minister of Railways—
 1. Whether his attention has been directed to the fact that out of a staff of 570 shunters 250 had met with injury during the last twelve months, resulting in death in four instances, and in serious disability in three.
 2. If he intends to take steps to try and prevent this high percentage of injury to the men by the adoption of automatic couplings and such other contrivances as may be designed to prevent accidents.
2. MR. CLOUGH : To ask the Honorable the Premier if his attention has been drawn to an address delivered by Dr. D. G. Robertson, in Bendigo, on Friday, 2nd July, wherein he stated that persons suffering from tuberculosis as a result of miners' phthisis, together with their dependants, had not sufficient income to provide the ordinary necessaries of life; if so, is it the intention of the Government to make some special provision for these unfortunate sufferers.
3. MR. CAIN : To ask the Honorable the Chief Secretary, if it is the intention of the Government this Session to consider the question of increasing the amount now paid to foster parents and parents of children boarded out to them.
4. MR. ROGERS : To ask the Honorable the Premier—
 1. If the increases in salary which the Government intends to announce for the Public Service are commensurate with the great increase in the cost of living—found by the Government Statistician to be 70 per cent. over normal prices.
 2. If the Government intends to treat the Bill to grant the Public Service an independent industrial tribunal, given notice of by the Member for Eaglehawk, as a Ministerial measure.
 3. If not, is it a fact that the Government has ordered, or intends to order, a reclassification of the Public Service by a servant of the Government, instead of by an independent impartial tribunal.
5. MR. WEBBER : To ask the Honorable the Premier—
 1. If he is aware that certain anomalies exist in the Weights and Measures Act, whereby unscrupulous traders are permitted to rob the public.
 2. If so, does the Government intend to introduce this Session a Bill to amend the said Act, so as to insure that people will get a fair deal in any transactions they may have with traders.
6. MR. McLACHLAN : To ask the Honorable the Minister of Agriculture—
 1. If the Honorable the Prime Minister has intimated his Government's desire to take over the sugar output at Maifra at £35 per ton
 2. If this is agreed to, what price will be paid per ton for sugar beet at the factory.
 3. If the Government will do its utmost to protect the growers by resisting the demand of the Commonwealth Government to purchase refined sugar at £35 per ton.

ORDER OF THE DAY (to take precedence) :—

1. ADDRESS IN REPLY TO THE LIEUTENANT-GOVERNOR'S SPEECH—MOTION FOR—*To which the following amendment has been moved*—That the following words be added to the proposed Address :—“and we desire to inform Your Excellency that the Government no longer possesses the confidence of this House because of its failure to introduce legislation to provide for an equitable redistribution of seats”—*Resumption of debate.*

Questions.

1. MR. RYAN : To ask the Honorable the Premier—
 1. If he is aware that very serious disabilities are placed on Victorian business people who have entered into contracts with Victorian Government departments in consequence of the Commonwealth Customs Department declining to recognise the current value of French, Italian, and Belgian exchange.
 2. If so, will he, as the guardian of the people's interests, take steps to have this attitude of the Commonwealth Government, which is impeding the public works development of this State, tested before the High Court, or make such representations as will bring redress to the Government and people of this State.
2. MR. PRENDERGAST : To ask the Honorable the Minister of Railways—
 1. Whether his attention has been directed to the fact that out of a staff of 570 shunters 250 had met with injury during the last twelve months, resulting in death in four instances, and in serious disability in three.
 2. If he intends to take steps to try and prevent this high percentage of injury to the men by the adoption of automatic couplings and such other contrivances as may be designed to prevent accidents.
3. MR. CLOUGH : To ask the Honorable the Premier if his attention has been drawn to an address delivered by Dr. D. G. Robertson, in Bendigo, on Friday, 2nd July, wherein he stated that persons suffering from tuberculosis as a result of miners' phthisis, together with their dependants, had not sufficient income to provide the ordinary necessaries of life; if so, is it the intention of the Government to make some special provision for these unfortunate sufferers.
4. MR. CAIN : To ask the Honorable the Chief Secretary, if it is the intention of the Government this Session to consider the question of increasing the amount now paid to foster parents and parents of children boarded out to them.

5. MR. ROGERS : To ask the Honorable the Premier—

1. If the increases in salary which the Government intends to announce for the Public Service are commensurate with the great increase in the cost of living—found by the Government Statistician to be 70 per cent. over normal prices.
2. If the Government intends to treat the Bill to grant the Public Service an independent industrial tribunal, given notice of by the Member for Eaglehawk, as a Ministerial measure.
3. If not, is it a fact that the Government has ordered, or intends to order, a reclassification of the Public Service by a servant of the Government, instead of by an independent impartial tribunal.

6. MR. WEBBER : To ask the Honorable the Premier—

1. If he is aware that certain anomalies exist in the Weights and Measures Act, whereby unscrupulous traders are permitted to rob the public.
2. If so, does the Government intend to introduce this Session a Bill to amend the said Act, so as to insure that people will get a fair deal in any transactions they may have with traders.

7. MR. MCLACHLAN : To ask the Honorable the Minister of Agriculture—

1. If the Honorable the Prime Minister has intimated his Government's desire to take over the sugar output at Maffra at £35 per ton.
2. If this is agreed to, what price will be paid per ton for sugar beet at the factory.
3. If the Government will do its utmost to protect the growers by resisting the demand of the Commonwealth Government to purchase refined sugar at £35 per ton.

Questions.

1. MR. MCLENNAN : To ask the Honorable the Minister of Agriculture if it is a fact that producers are not permitted to forward butter by rail direct to Geelong ; if so, why.
2. MR. MCGREGOR : To ask the Honorable the Premier—
 1. What is the number of fines, penalties, and orders imposed upon or made against "profiteers" by the Fair Prices Commission.
 2. What is the nature of such penalties and orders.
3. MR. RYAN : To ask the Honorable the Treasurer—
 1. If it is his intention to reconsider his decision given to a request for conversion of 3 per cent. bonds due in 1917.
 2. If he will consider allowing the holders of 3 per cent. "seventeens" the right of conversion to present proposed loan contingent on holders making additional purchase in proposed loan of an amount equal to present holdings of "seventeens" which they desire to convert
 3. In view of the fact that the greater portion of 3 per cent. stock, 1917, was purchased by trustees for beneficiary purposes, and that the beneficiaries are now suffering great distress through the diminishing value of income, will the Government afford those who came to the assistance of the Treasury by purchasing State securities some such measure of redress as is given to other members of the community.
4. MR. CAIN : To ask the Honorable H. J. M. Campbell, Honorary Minister, for the Honorable the Commissioner of Public Works, what was the average amount per cent. charged for supervision on the work carried out by the Public Works Department during the year 1919-20.
5. MR. LEMMON : To ask the Honorable the Treasurer—
 1. If it is a fact that for many years past the State has paid to widows or dependants of ex-employees of the Railway Department the difference between what a pensioner has drawn and nine months' pay in the event of the death of the pensioner.
 2. How many of such claims he has refused to pay.
 3. In view of the fact that it is within his discretion to make such payment, will he inform the House why he has not followed the policy of his predecessor in office.
6. MR. CAIN : To ask the Honorable the Minister of Railways—
 1. On what date the electrification scheme will be in operation on the Heidelberg, Preston, and North Fitzroy lines.
 2. If the scheme will be put into operation on the three lines simultaneously.
7. MR. LEMMON : To ask the Honorable the Chief Secretary—
 1. If it is the intention of the Government to introduce a Bill this Session to enlarge the scope of the State Accident Insurance Office by giving effect to the unanimous recommendations contained in the report of the Public Accounts Committee presented to this House on 17th December, 1918.
 2. In view of the great depreciation of the value of the fixed sums mentioned in the Workers' Compensation Act, will he introduce a Bill this Session to amend the Act.

Questions.

1. MR. McLENNAN : To ask the Honorable the Minister of Agriculture if it is a fact that producers are not permitted to forward butter by rail direct to Geelong ; if so, why.
2. MR. WARDE : To ask the Honorable the Minister of Mines—
 1. If he is aware that American tests have proved that pulverized brown coal can be used in factories and locomotives in competition with crude oils.
 2. If so, what steps does he propose taking to place Victoria in an independent position as regards coal, in view of the fact that Victorian brown coal is more suitable for pulverizing than American coal.
3. MR. ROGERS : To ask the Honorable the Attorney-General if he will lay on the table of the Library all papers in connexion with the case of Mr. Edmond Dwyer, of 296 Dryburgh-street, North Melbourne.
4. MR. BAILEY : To ask the Honorable the Minister of Railways if he is aware that single railway tickets are not available for break of journey, thereby causing considerable inconvenience to travellers on the railways ; if so, will he take steps to make such tickets available for break of journey.
5. MR. HANNAH : To ask the Honorable the Minister of Labour if he will lay on the table of the Library all papers connected with the appointment of the Confectioners Board recently gazetted.
6. MR. MURPHY : To ask the Honorable the Minister of Mines if he will cause a bore to be put down on the foreshore between St. Kilda and the Yarra for the purpose of seeing whether brown coal can be procured there in payable quantities.
7. MR. WEAVER : To ask the Honorable the Minister of Railways—
 1. If it is a fact that, owing to goods sheds and platform accommodation being congested at Spencer-street, a very large number of trucks are sidetracked to the south of Spencer-street for a very considerable time.
 2. If any demurrage is charged on these trucks while so sidetracked.
8. MR. WEAVER : To ask the Honorable the Minister of Agriculture if all agents and dealers operating at Spencer-street have storehouses other than railway sheds, platforms, and goods trucks : if not, what is proposed to be done to remedy this state of affairs.
9. MR. WEBBER : To ask the Honorable the Minister of Railways—
 1. From what companies the Railway Department purchases gas to illuminate suburban stations.
 2. What was the cost to the department for the last financial year for gas so supplied.
 3. On what basis is gas paid for, and what is the price charged.
 4. Why gas is purchased to illuminate suburban stations on lines where electric trains are in operation, and where the department's electric power lines run through such stations.
 5. Is it not possible during the gas workers' industrial dispute to, at least, temporarily light many suburban stations with electric light.

Questions.

1. **MR. SMITH:** To ask the Honorable D. Mackinnon, Honorary Minister, for the Honorable the Minister of Water Supply—
 1. If consideration has been given to increase of storages within the Coliban area; if so, (a) in what localities have investigations been made; (b) what is the estimated quantity of water that could be stored in each area investigated; (c) what is the estimated cost of such storages.
 2. If it is possible to increase the capacity of existing storages at Upper Coliban and Malmsbury reservoirs; if so, to what extent.
2. **MR. LEMMON:** To ask the Honorable H. J. M. Campbell, Honorary Minister, for the Honorable the Commissioner of Public Works, if it is the intention of the Government to introduce the Metropolitan Drainage and Streams Bill this Session.
3. **MR. TUNNECLIFFE:** To ask the Honorable the Chief Secretary how many public servants have left the service since the beginning of the present year, January, 1920.
4. **MR. RYAN:** To ask the Honorable the Premier if the Government will come to the assistance of municipal and other public bodies who have already helped and are willing to help in the erection of memorial halls by introducing a Bill indemnifying them for expenditure so incurred.
5. **MR. TUNNECLIFFE:** To ask the Honorable the Minister of Railways if he will consider the advisability of attaching a passenger car to the goods trains which daily traverse the Bendigo to Boort, Wycheproof, Charlton, and Korong Vale line, in view of the present unsatisfactory tri-weekly passenger service.
6. **MR. WARDE:** To ask the Honorable H. J. M. Campbell, Honorary Minister, for the Honorable the Commissioner of Public Works, when the Government intends to introduce the Bill for the control of water-courses in the metropolitan area.
7. **MR. TUNNECLIFFE:** To ask the Honorable the Minister of Railways if, in view of the unsatisfactory conditions which obtain on the Glen Iris railway line, he will consider the advisability of connecting the line by a short loop at Burnley with the Swan-street electric tram line and allowing an electric tram service to be run over the line.
8. **MR. WEBBER:** To ask the Honorable the Minister of Railways—
 1. Why many suburban stations were not lighted with electric light during the gasworkers' industrial disputes.
 2. Why the question of the illumination of suburban stations on electrified lines was not "considered" by the Railways Commissioners when the said lines were converted from steam to electric traction.
9. **MR. WEBBER:** To ask the Honorable the Minister of Railways—
 1. If there is a written agreement between the Railway Department and the various companies for the supply of gas for lighting suburban stations.
 2. If so, does such agreement contain a penalty clause for failure on the part of the companies to maintain a proper supply of gas to stations.
 3. If the department intends to enforce such penalty clause (if any) for failure by the companies to supply a proper pressure of gas during the gasworkers' industrial dispute.
10. **MR. A. A. BILLSON:** To ask the Honorable the Chief Secretary—
 1. Does he propose to arrange for the closing of the Melbourne Gaol; if so, is it proposed to remove the prisoners to Pentridge.
 2. If he is aware that the existence of large prisons holding large numbers of criminals in or near to large cities is strongly condemned, and that proposals have been made to remove them some distance away.
 3. In order to prevent the confinement of so many criminals at Pentridge, has he considered the advisability of utilizing the Beechworth and other country gaols which are now closed.

11. MR. WEBBER: To ask the Honorable the Premier if the Government intends to introduce this Session a Bill to effect the registration and control the dealings of estate and business agents.
12. MR. SMITH: To ask the Honorable the Minister of Agriculture—
1. If he is aware that an agreement has been entered into between the Commonwealth Government and the wheat-growers of Western Australia to finance a scheme to establish the system of handling wheat in bulk in that State.
 2. If so, will he make inquiries concerning the scheme, and report whether such scheme would be suitable to the requirements of the wheat industry of this State.
 3. In view of the fact that he has urged the wheat-growers of this State to increase the areas under cultivation, will he state the intentions of the Government relating to the introduction of the bulk-handling system here.
13. MR. WEBBER: To ask the Honorable the Premier—
1. If he is aware that there exists a practice of buying and selling keys of houses about to become vacant, and that such practice has been the cause of many cases of fraud and imposition.
 2. If he proposes to take action to stop this practice, either by increasing the powers of the Fair Prices Commission or by legislation.
14. MR. BAILEY: To ask the Honorable the Premier if it is the intention of the Government to introduce early this Session a Bill to authorize advances being made by the Government to assist the development of country industries.
15. MR. WEBBER: To ask the Honorable the Premier if it is the intention of the Government to introduce a Bill to re-enact the *Necessary Commodities Control Act 1919*.
16. MR. WEBBER: To ask the Honorable the Premier what action (if any) the Government has taken to bring about an amalgamation of the Federal and State departments relating to—(a) statistics; (b) electoral matters; (c) land tax; (d) income tax.
17. MR. BAILEY: To ask the Honorable the Premier—
1. If he has read the report of the Fair Prices Commission (No. 14), dated 17th July, 1920.
 2. If he will take steps early this Session to have the *Necessary Commodities Control Act 1919* amended so as to give to the Fair Prices Commission increased power to protect the public.
18. MR. WEBBER: To ask the Honorable the Premier if the Government intends to introduce this Session a Bill to enable metropolitan municipalities to control the distribution of milk.
19. MR. BAILEY: To ask the Honorable the Premier—
1. If he has read a paragraph in the *Age* newspaper of 24th July instant, headed "Cost of Living still mounting," stating that, according to the figures of the Commonwealth Statistician (Mr. G. H. Knibbs), the increase in the cost of living was greatest in Victoria and lowest in Queensland.
 2. If he is aware that the high rate of profit allowed by the Fair Prices Commission to be charged or taken in respect of the sale or supply of necessary commodities has materially assisted in bringing about the above result in Victoria.
20. MR. McDONALD: To ask the Honorable the Minister of Railways—
1. What was the number of trucks in use in the Railway Department in 1910-11 and in 1919-20 respectively.
 2. What was the tonnage of paying freight carried in each of those years, and the average load per truck.
 3. What was the number of miles of railway open for traffic in 1910-11 and 1919-20 respectively.

TUESDAY, 3RD AUGUST, 1920.

Questions.

1. **MR. TOUTCHER:** To ask the Honorable the Treasurer if he will lay on the table of the Library all the papers in connexion with a gratuity to the widow of the late Peter Barr, stationmaster, Nhill, who had pension rights.
2. **MR. JEWELL:** To ask the Honorable the Premier whether the Government will, in view of the large number of infants whose existence depends upon artificial foods, and the high prices being charged for same, make arrangements whereby mothers and others having charge of infants will be enabled to obtain such artificial foods at a much lower price than the same can be obtained for at present.
3. **MR. MCGREGOR:** To ask the Honorable the Minister of Agriculture—
 1. What is the total quantity of wheat held in this State.
 2. How much of this quantity is f.a.q.
 3. The quantity under f.a.q.
 4. The quantity required for local consumption within the State to the end of the year.
 5. The quantity available for fodder purposes.
 6. What quantity of f.a.q. wheat is available for sale over and above local requirements in Australia.
 7. If steps are being taken to dispose of the surplus.
4. **MR. A. A. BILLSON:** To ask the Honorable the Minister of Mines if his attention has been drawn to the facts that a boom on the Stock Exchange was recently caused by prospectors and mining company promoters falsely reporting the discovery of fabulous deposits of tin oxide at Badak, in the Malay States, causing £10 shares to advance to £2,000; that advantage was taken to form numerous syndicates for the purpose of prospecting other areas falsely represented to have been secured by the promoters of such syndicates, shares in which rapidly rose from £5 to £100; that the promoters of most of the syndicates so formed held no rights over any such areas; and that the Kedah Government subsequently refused all applications for rights; if so, does the Government intend to take action to protect the public from being exploited in this manner.

Questions.

1. **MR. McLEOD** : To ask the Honorable the Minister of Forests what concessions the State Forest Commissioners are prepared to make in the rates and regulations for timber, firewood, dead wood, rental for sites, cartage fees, and charges for agistment in the State forests and timber reserves throughout the State.
2. **MR. MCGREGOR** : To ask the Honorable the Treasurer—
 1. What the Government intends to do in cases of employees of the State with long service who, having been refused compensation, retired on pension, and died shortly afterwards, leaving in some instances families without means.
 2. If, in view of the variable practice of the past, and his statement that the law will not allow any payment to be made in these cases, the Government will bring in a Bill providing a uniform legal method of dealing with these as well as future cases ; if so, when.
3. **MR. GROVES** : To ask the Honorable the Minister of Railways—
 1. What action he has taken to trace the person who threw a beetle from a race train on Wednesday, 28th July last, between Cheltenham and Mentone, and caused the death of platelayer Churchill.
 2. If the Government will offer a substantial reward on conviction.
 3. If he will take the necessary steps to have suitable notices *re* throwing of articles from trains placed in carriages.
 4. If he will take the necessary steps to have severe penalties provided in by-laws for persons convicted of the above offence.
4. **MR. SMITH** : To ask the Honorable the Chief Secretary—
 1. If he will take steps to make more possible the identification of motor cars by insisting on a better lighting of the rear number of the car.
 2. If his department has made any investigation of the merits of an invention by Mr. Joseph Sheard, of Bendigo, of a lamp designed to effect this result.
5. **MR. PRÉNDERGAST** : To ask the Honorable the Minister of Public Instruction if he will give the names of all teachers in the department to whom honours have been given or of whom special mention has been made in connexion with social service, together with the nature of, and the reasons given for, such honours in each case.

No. 25.

TUESDAY, 31ST AUGUST, 1920.

Questions.

1. **MR. ROBERTSON**: To ask the Honorable D. Mackinnon, for the Honorable the Commissioner of Crown Lands and Survey, if he will inform the House—
 1. How many titles have been transferred from one farmer to another during the year 1st July, 1919, to the 30th June, 1920.
 2. How many soldiers were settled under section 20 of the *Closer Settlement Act 1915* from 1st July, 1919, to 30th June, 1920.
 3. What is the policy of the Government in regard to section 20 of the *Closer Settlement Act 1915*.
2. **MR. PRENDERGAST**: To ask the Honorable the Premier whether he intends to introduce legislation on the lines of the report of the Royal Commission on Fisheries, presented on 26th June, 1919.
3. **MR. A. A. BILLSON**: To ask the Honorable D. Mackinnon, for the Honorable the Commissioner of Crown Lands and Survey—
 1. If he is aware that there is a strong desire in young men to acquire land upon which to settle in the locality where they were born and reared.
 2. If it is a fact that objections by the Mines and Forests Departments frequently prevent the Lands Department from granting such applications.
 3. In view of the fact that there are scattered areas of land classed as auriferous or forests and timber reserves contiguous to old mining townships which are withheld from settlement, and consequently from cultivation, does the Government intend to give any consideration to the desirability of reviewing such areas, with the object of determining a new policy in connexion therewith.
4. **MR. LEMMON**: To ask the Honorable the Minister of Public Instruction if he will lay on the table of the Library the file of papers concerning the proposed sale by the Government, at the instigation of the firm of Messrs. Henry Berry and Co., of part of the frontage of the school ground of the West Melbourne Technical School.
5. **MR. A. A. BILLSON**: To ask the Honorable the Premier if, in view of the latest developments in connexion with the Badak tin field, he proposes to accede to the request of the Stock Exchange and arrange for an inquiry into the whole matter.
6. **MR. RYAN**: To ask the Honorable the Premier—
 1. If his attention has been drawn to the growing practice adopted by commercial and real estate agents, brokers, and others of receiving sums of money to bear interest for varying terms.
 2. If the Government will consider the desirability of introducing legislation compelling firms who accept money on interest to show that they have securities at least equal to any indebtedness so incurred, and insisting on quarterly returns from all persons or companies, other than chartered institutions, showing—(a) the paid-up capital; (b) the amounts received on deposit; (c) the amounts falling due for repayment within 90 days following the date of such return.
7. **MR. PRENDERGAST**: To ask the Honorable the Chief Secretary if he will lay on the table of the Library the report and papers in connexion with Mr. Love's report upon the Neglected Children's Home at Royal Park.
8. **MR. ROBERTSON**: To ask the Honorable D. Mackinnon, for the Honorable the Commissioner of Crown Lands and Survey, if he will bring in a Bill for the consolidation of the *Closer Settlement Acts*; also a Bill for the consolidation of the *Discharged Soldiers Settlement Acts*.
9. **MR. TOUCHER**: To ask the Honorable the Minister of Railways if the extension of the railway from Marnoo to Wallaloo, a distance of about 5 miles, recommended by the Parliamentary Standing Committee on Railways in 1915, at an estimated cost of £18,000, has been surveyed; if so, when will he submit to this House a resolution to have the proposal dealt with by the Committee as a specific reference, in accordance with the requirements of the *Railways Standing Committee Act 1915*, with the view of having the construction of this railway authorized by Parliament.

NOTICES OF MOTION (*unopposed*):—

- MR. ROBERTSON: To move, That there be laid before this House a return showing—
1. The depth of water at the frontage of the site offered by the Geelong Harbor Trust to the Phosphate Co-operative Company of Australia Limited.
 2. What it would cost for dredging in order to get sufficient depth of water for the purposes of the company.
 3. What would be the railway freight per ton on the company's manures from Geelong to Melbourne
 4. What would be the cost of providing railway facilities at the site at Geelong if the company erected works there.
 5. Whether electric power would be provided and what would be the cost and charges for same as compared with the Newport site.
 6. What price per acre the Geelong Harbor Trust paid for the land comprising the site offered, and what price per acre is asked for it from the Phosphate Company.
2. MR. McLENNAN: To move, That there be laid before this House a return showing—
1. The area of land at Newport, and water frontage in feet, for which certain negotiations have been entered into with the Melbourne Gas Company.
 2. The frontage in feet and area of the land which the Phosphate Co-operative Company desire to obtain.
 3. The depth of water at the frontage of the land which the Phosphate Company require.
 4. The estimated cost of the dredging necessary to provide sufficient depths of water for the purposes of the company.

Questions.

1. MR. A. A. BILLSON: To ask the Honorable H. J. M. Campbell, Honorary Minister, for the Honorable the Commissioner of Public Works—
 1. If he is aware that, as a result of the increasing popularity of Mount Buffalo as a winter resort, rendering it necessary to run two night trains weekly in place of one as formerly, the accommodation provided for the large staff now employed is neither adequate nor comfortable.
 2. If full consideration has been given to the requests of the lessee of the Chalet in this particular matter; if not, is it intended to do so, and when.
2. MR. CARLISLE: To ask the Honorable the Premier if he has considered the request of a deputation which waited on him on 10th March last asking for the repeal of the Railway Lands Acquisition Act; if so, is it the intention of the Government to accede to the request; if not, what is the intention of the Government in regard to the matter.
3. MR. GORDON: To ask the Honorable the Minister of Railways—
 1. If he has yet considered the question brought before him at the annual conference of the Municipal Association of Victoria with reference to fires caused by sparks from railway locomotives.
 2. If so, what action has been taken to prevent the recurrence of such fires.
 3. If no action has been taken, will he state what steps he intends to take in this direction before the incoming summer.
4. MR. FARTHING: To ask the Honorable the Premier if he is aware that the dairy farmers of Warragul and other Gippsland towns are being paid 1s. 4d. per gallon for milk delivered in Melbourne, and that the retail price in East Melbourne is 8d. per quart, representing an increase of 100 per cent.; if so, will he inform the House whether he intends to take any steps to insure a cheaper supply of milk to the people of Melbourne.
5. MR. TUNNECLIFFE: To ask the Honorable H. J. M. Campbell, Honorary Minister, for the Honorable the Commissioner of Public Works—
 1. Whether the city of Melbourne or any of the metropolitan municipalities have yet been charged with any proportion of cost of the many main roads leading from the metropolis which have been constructed by the Country Roads Board; if so, which, and how much have they been called upon to pay.
 2. Whether any municipality in which the Country Roads Board has done no road construction, and does not propose to do any, has been charged with the cost of making roads within the boundaries of adjacent municipalities; if so, the names of the municipalities which have been so charged, and the sums of money they have been called upon to pay.
6. MR. FARTHING: To ask the Honorable the Premier what steps the Government propose taking to make some suitable use of the triangular block of land at the corner of Evelyn and Albert streets.
7. MR. LEMMON: To ask the Honorable the Commissioner of Crown Lands and Survey if he will lay on the table of the Library the file of papers concerning the proposed sale by the Government, at the instigation of the firm of Messrs. Henry Berry and Co., of part of the frontage of the schoolground of the West Melbourne Technical School.

Notices of Motion and Orders of the Day.

No. 35.

WEDNESDAY, 22ND SEPTEMBER, 1920.

Questions.

1. **MR. ROBERTSON**: To ask the Honorable D. Mackinnon, for the Honorable the Commissioner of Crown Lands and Survey, if he will, before this Session closes, make a statement to the House concerning the settler Stoltz and the late A.I.F. men settled on the irrigable land at Werribee, near the shores of the Bay.
2. **MR. ALLAN**: To ask the Honorable the Premier what negotiations, if any, have been entered into between the Government and the Metropolitan Gas Company in connexion with Crown lands at Newport
3. **MR. ROBERTSON**: To ask the Honorable the Minister of Railways—
 1. When the electrification of the railway between Essendon and Broadmeadows will be completed.
 2. If electricity for lighting purposes will be made available for the towns of Glenroy and Broadmeadows and local public institutions.
4. **MR. FARTHING**: To ask the Honorable the Treasurer—
 1. If he will restore the free issue of railway passes to charitable institutions, *e.g.*, orphanages, &c., of which they were deprived some two years ago.
 2. If, in view of increased cost of living, &c., he will increase the Government grant to charitable institutions, orphanages, &c., by at least 15 per cent.—the amount by which they were reduced some two years ago.
5. **MR. RYAN**: To ask the Honorable the Premier if he will inform the House as to the date on which the Royal Commission on Fair Prices will conclude its inquiries.
6. **MR. FARTHING**: To ask the Honorable the Premier—
 1. If he will cause instructions to be given to the Public Service Commissioner to restore the high school women teachers to the same relative position to women teachers in primary schools as they held prior to October, 1918, and to use such position as a starting point on which to base present salaries in the new schedule.
 2. Whether he is aware that the list of salaries for high school women teachers reveals that such teachers are in a lower position financially than primary school women teachers.
 3. If so, will he cause instructions to be given to the Public Service Commissioner to raise the salaries of high school women teachers to what they were led to believe they would receive when first appointed to high school positions, *viz.*, the salaries of similar grades in primary schools, plus 10 per cent. (that is to say):—Senior Mistress, equal to Class II., Second Mistress to Class III., and Third Mistress to Class IV.
7. **MR. RYAN**: To ask the Honorable the Minister of Public Instruction if in the final consideration of the salaries to be granted to high school women teachers he will see that due regard is given to the time spent in acquiring efficiency.
8. **MR. FARTHING**: To ask the Honorable the Premier if, in view of the fact that the Public Service Bill has received the Royal Assent, increases in police salaries will be paid on the 30th September instant.
